A Reference Handbook of the Medical Sciences ,1917      **The National Bibliography of Nigeria** ,2003      *Therapeutic Gazette* William Brodie,Francis Edward Stewart,John J. Mulheron,Albert Brown Lyons,1881      Interpreting the Prophetic Word Willem A. VanGemeren,2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one s interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God s purposes in redemptive history Dr Willem VanGemeren explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemeren s extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to lives the prophetic word      **Soma in Biblical Theology** Robert H. Gundry,2005-08-22 Argues that the Greek word soma should be read as the individual physical body rather than man as an indivisible whole      Seers, Sibyls and Sages in Hellenistic-Roman Judaism John J. Collins,2021-12-06 This volume brings together essays written over two decades by a leading authority in the field The collection includes 2 recent essays that are published here for the first time The articles cover major aspects of the discussion of Jewish apocalypticism in relation to the Hebrew bible the New Testament and the Hellenistic Roman world Distinctive strengths of the volume include clusters of essays on the Sibylline oracles and on the relationship between apocalypticism and wisdom A section of the book is devoted to studies on Daniel This publication has also been published in paperback please click here for details      *Angels at Qumran* Maxwell Davidson,1992-03-01 A comprehensive study of the perspectives on angels of Qumran sectarian authors and of the authors of those sections of 1 Ethiopic Enoch represented in the Qumran library Marked differences emerge as the roles of angels are considered in relation to various topics These include beliefs about how the sun entered the world events at the close of the present age the means by which divine revelation is communicated to God s people and the ways in which the author thought about the relationship of the pious to angels both in this age and in the eschaton      *County Village* Osi M.M. Osi,2020-12-10 County Village is a book about life in a typical Nigerian secondary school It is intended to preserve the way of life and pattern of secondary school administration common in Nigeria The modern Nigerian society is one in which the precious pattern our secondary schools especially the boarding schools were been run administratively in the colonial era is fast eroding Secondly the book outrightly condemns the desecration of the Christian faith by the defunct African Writers Series led by Chinua Achebe It goes ahead to condemn corruption police brutality and ineptitude in Nigeria It mocks the entire African Society using Nigeria as case study plus other miscellaneous themes      **Virginia Medical Monthly** ,1885      The Medical Council ,1902      War, Jews and the New Europe Mark Levene,1992-09-01 The First World War was a major

watershed in modern Jewish history Out of it came the Balfour Declaration a first critical step in the creation of the State of Israel but also a radical redrafting of the political map of eastern and central Europe with dramatic and potentially tragic consequences for its dispersed but substantial Jewish minority In this lucid work which was awarded the 1991 Fraenkel Prize for Contemporary History Mark Levene approaches these developments through the diplomatic endeavours of Lucien Wolf a British Jew who was both one of the chief proponents of the Balfour Declaration and co architect of the Minorities Treaty that provided an internationally endorsed framework for Jewish existence in Europe after the First World War Through an analysis of Wolf s diplomacy Levene examines how Jewish interests throughout Europe were affected by the Great War and how they were perceived by the warring powers Levene shows how british support for Zionism was bound up with misconceptions about the Jewish role in Europe notably that the revolutionary movement in Russia was Jewish inspired and Jewish led Equally however he shows how the diplomatic activities of Wolf and his Jewish contemporaries heralded the entry of world Jewry as a perceived force in modern politics and how Wolf himself was preoccupied with eastern Europe and its jews at a precarious time He also analyses how the war affected Jewish political self perceptions reviewing the context between assimilationists and Zionists in the broader framework of war peace and international diplomacy His consideration of their conflicting claims says much that is of relevance to the contemporary discussion of Zionism as well as to the problems of ethnic and religious minorities in nation states

**Medical record** ,1895 Resurrection of the Dead in Early Judaism, 200 BCE-CE 200 C. D. Elledge,2017-05-05 Resurrection of the dead represents one of the more enigmatic beliefs of Western religions to many modern readers In this volume C D Elledge offers an interpretation of some of the earliest literature within Judaism that exhibits a confident hope in resurrection He not only aids the study of early Jewish literature itself but expands contemporary knowledge of some of the earliest expressions of a hope that would become increasingly meaningful in later Judaism Christianity and Islam Elledge focuses on resurrection in the latest writings of the Hebrew Bible the Apocrypha Pseudepigrapha Dead Sea Scrolls as well as the writings of other Hellenistic Jewish authors He also incorporates later rabbinic writings early Christian sources and inscriptions as they shed additional light upon select features of the evidence in question This allows for a deeper look into how particular literary works utilized the discourse of resurrection while also retaining larger comparative insights into what these materials may teach us about the gradual flourishing of resurrection within its early Jewish environment Individual chapters balance a more categorical comparative approach to the problems raised by resurrection definitions diverse conceptions historical origins strategies of legitimation with a more specific focus on particular pieces of the early Jewish evidence 1 Enoch Dead Sea Scrolls Josephus Resurrection of the Dead in Early Judaism 200 BCE CE 200 provides a treatment of resurrection that informs the study of early Jewish theologies as well as their later reinterpretations within Rabbinic Judaism and Christianity

**The Pharmaceutical Era** ,1902 *Raised from the Dead According to Scripture* Lidija Novakovic,2014-05-29 The New Testament writings allow only limited access to the interpretative traditions that lie beneath the claim that Jesus resurrection took place according to Scripture This book investigates the underlying principles of scriptural arguments in relation to Jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts relating to it Novakovic s working hypothesis is that the Davidic tradition supplied the primary scriptural categories for the claim that Jesus was raised from the dead according to Scripture This tradition was appropriated through two major thematic trajectories resurrection as the fulfillment of Davidic promises and resurrection as the messianic enthronement We can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation resurrection as the prophetic authentication and resurrection as the messianic rebuilding of the temple Each thematic block is based on a specific use of

Scripture for the purpose of explaining the significance of Jesus resurrection
