Luckily my competition was a slim amount than what it could have been if the trip had been advertised throughout the entire university. I couldn't believe how anxious I was when the meeting eventually started, even my face was starting to feel hot. I didn't know a single student in the room, except for my friend who had invited me. While it seemed like everyone else was conversing, I kept quiet, after all I was too shy in front of people I don't know. I unquestionably felt like an outcast at this meeting, but in the end I only cared about taking this trip of a lifetime. I didn't need to make
