Peripheries proposes an open theory of the connected urban as a framework that addresses and accommodates the specificities of these communities in the twenty first century **Altmetrics for Information Professionals** Kim Johan Holmberg, 2015-09-03 The goal of any research assessment is to evaluate the value or quality of the research in comparison to other research As quality is highly subjective and difficult to measure citations are used as a proxy Citations are an important part of scholarly communication and a significant component of research evaluation with the assumption being that highly cited work has influenced the work of many other researchers and hence it is more valuable Recently we have seen new online data sources being researched for this purpose and disruptive ideas with the power to change research assessment and perhaps even science as a whole have been born Altmetrics is the new research area that investigates the potential of these new data source as indicators of the impact that research has made on the scientific community and beyond and thus possibly also as indicators of the societal impact of research This book will present some of these new data sources findings from earlier altmetrics research and the disruptive ideas that may radically change scholarly communication Presents some of the key ideas and innovations in earlier research that have been driving the evolution from bibliometrics to webometrics and with the advent of social media to altmetrics Discusses the shortcomings and pitfalls of bibliometrics in research evaluation and the potential of altmetrics to overcome some of these shortcomings Presents some of the most important data sources of altmetrics the aggregators and the different stakeholders Reviews current research about altmetrics and discusses possible future trends Presents a way to measure and aggregate altmetrics according to the level of impact or type of impact they represent **The Divided City and the Grassroots** Giulia Carabelli, 2018-03-14 Focusing on Mostar a city in Bosnia Herzegovina that became the epitome of ethnic divisions during the Yugoslav wars this cutting edge book considers processes of violent partitioning in cities Providing an in depth understanding of the social political and mundane dynamics that keep cities polarized it examines the potential that moments of inter ethnic collaboration hold in re imaging these cities as other than divided Against the backdrop of normalised practices of ethnic partitioning the book studies both planned and unplanned moments of disruption it looks at how networks of solidarity come into existence regardless of identity politics as well as the role of organised grassroots groups that attempt to create more inclusive and it critically engages with urban spaces of resistance Challenging the representation of the city as merely a site of ethnic divisions the author also explores the complexities arising from living in a city that validates its citizens solely through ethnicity Elaborating on the relationships between space culture and social change this book is a key read for scholars students and urban practitioners studying ethnically divided cities worldwide **Muslim Fashion** Reina Lewis, 2015-10-15 In the shops of London s Oxford Street girls wear patterned scarves over their hair as they cluster around makeup counters Alongside them hip twenty somethings style their head wraps in high black topknots to match their black boot cut trousers Participating in the world of popular mainstream fashion often thought to be the domain of the West these young Muslim

women are part of an emergent cross faith transnational youth subculture of modest fashion In treating hijab and other forms of modest clothing as fashion Reina Lewis counters the overuse of images of veiled women as evidence in the prevalent suggestion that Muslims and Islam are incompatible with Western modernity Muslim Fashion contextualizes modest wardrobe styling within Islamic and global consumer cultures interviewing key players including designers bloggers shoppers store clerks and shop owners Focusing on Britain North America and Turkey Lewis provides insights into the ways young Muslim women use multiple fashion systems to negotiate religion identity and ethnicity The Language of Money Annabelle Mooney, 2018-04-27 Through a detailed examination of proverbs related to money this book offers a comprehensive critique of the prevailing everyday ideologies and discourses on money and paves the way toward establishing a new set of proverbs more conducive to financial equality and human well being The volume explores a variety of contexts to demonstrate the different aspects of the money system and the linguistic and social structures embedded within them including pay day loan websites gambling get rich self help books and new forms of currency Unpacking this complex relationship between people money and language in contemporary society this book is an ideal resource for students and scholars in language and communication sociolinguistics rhetoric sociology and media studies **Australian Education Index**, 1980

The Top Books of the Year Geography June Examination Paper1 Theory 2013 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
