Student Objectives

- Identify spelling words based on definitions.
- Replace syllables to form spelling words.
- Use a dictionary to verify definitions and respellings.

Teach

For items 1–10, tell students they should decide which spelling word most closely fits each definition. Point out that they can check the definitions of the spelling words in a print or online dictionary. Read aloud the directions for items 11–15, and do the first item together as a class.

Then read aloud the explanation about dictionary respellings in the last activity. Review the symbols used over the vowels in the respellings (straight line—long vowel sound; curved line—short vowel sound; backward e—schwa, which sounds like “uh”).
