

Aspects of Action Plan and Development which worked effectively.

As touched upon earlier, the aspect of the rebrand was successful as, not only does the new logo look much stronger and more easily identifiable, but it coincided with a fresh re-announcement of Cold City Cuts and breathed new life back into the label.

As a result, the promotional campaigns over social media built up momentum which resulted in an excellent feature in The Skinny's Club Highlights for May section in their online gig guide and saw me being invited to take part in an interview and record a DJ mix on Radio Magnetic and Regal Radio by Vicky Troup and Davie Kelly from Hometown Social Club. Due to technical difficulties in the Radio Magnetic studio, it was agreed we'd do the interview over Skype and I would record a mix at home and send it via Dropbox prior to the show going out on June 1st and being added to their blog straight after the show, which was fantastic.

I have also been in contact with Ronan Martin at The Skinny and electronic music blog, Synth Glasgow, who are eager to run features on the new EP when it's ready.

The announcement of the gig and forthcoming release using measured strategies interpreted from E-Commerce and Marketing resulted in a noticeable increase in attention and interest in the label, as shown by the analytical information provided by the label's Facebook page, and saw an increase in interest from other producers to be on my roster.

The idea of having the logo printed onto stickers in order to be circulated around the punters at the gig and around the city was also an effective strategy as I believe it will gradually engrain the image into people's minds and perhaps encourage more people to go online to find out about Cold City Cuts and discover the music and my artists.

I believe drawing up a timescale and Gantt chart were effective ideas too as it provided a firm, visible plan of action. Often, with so many tasks to do, it can be difficult to know what to prioritise and what still has to be done and so, for the most part, I found it extremely helpful to refer to the chart and attempt to work through it chronologically.

Clearly, two of my main weaknesses and threats, Time Management and Finances, turned up to knock me off schedule. However, with a clear plan in place and the knowledge of how to effectively execute the tasks which remain, I believe the new EP, "Simrahtam – Grind It EP", will be met with some very favourable feedback and hopefully some radio play prior to its official release.

I believe the strengths of the first two stages of the project really came from knowing exactly what my idea was and having the knowledge and enthusiasm to complete each task. Having already set the label up last year, I was determined to make the changes I saw fit in order to develop and progress Cold City Cuts and to make the public and my artists feel I intend to run it professionally.
