Deciphering Race Laura Callanan, 2006 Deciphering Race engages with the complex and contested world of Victorian racial discourse In the five central texts under consideration in this study Harriet Martineau s *The Hour and the Man* Robert Knox s *The Races of Men* Charles Dickens and Wilkie Collins s *The Perils of Certain English Prisoners* the transcript of the inquiry into the Governor Eyre Controversy and James Grant s *First Love and Last Love* a white English author or character turns to the aesthetic in order to assuage a sense of anxiety produced by a confrontation with racial otherness White characters or narrators confront the limitations of preconceived ideologies or the interlacing of oppressions and subsequently falter In this manner these narratives confront the complexity indeterminacy and irrationality of both racial difference and the systems put in place to understand that difference

Deciphering Race unpacks this narrative turn to the aesthetic in writings by white English individuals and thus reveals the instability at the heart of cultural understanding of race and racial tropes at mid century This series of readings will help to see how figurative structures while providing a bridge between different cultures and epistemologies also reinforce a distance that keeps groups separate Only by disentangling these structures by addressing and unpacking our assumptions and narratives about those different from ourselves and by understanding our deep cultural anxiety and investment in these ways of talking about one another can we begin to create the conditions for productive local understanding between different cultures races and communities

God Loves You Thomas Franckowiak, 2012-04 Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift Often He has blessed you with many more His gift of love to you however is the most precious of them all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God s Word must be your road map *God Loves You* Notes of His Love unearths truths about your Heavenly Father s love from Paul s description of godly love in his first letter to the

Salmon P. Chase Frederick J. Blue,1987 Chase wanted so much to make a name for himself in American politics that early in his career he considered changing his fishy appellation to the more important sounding Spencer Paynce Cheyce That alteration never came about but even without a fancy name the New England born Ohio bred attorney devoted his life to public service at many levels of government Chase served as Free Soil Senator from Ohio as Governor of that pivotal Midwestern state as Secretary of the Treasury under Lincoln and as Chief Justice of the United States although he never realized his primary ambition the presidency Complex overly ambitious and deeply religious Chase perhaps undermined his presidential hopes partly by his strong antislavery stance but primarily by his failure to organize systematically his drive for national office Chase worked hard for the rights of fugitive slaves and became prominent in the antislavery movement and in the establishment of the Liberty and Free Soil parties but he was often accused of being concerned only with his personal advancement Frederick Blue has done extensive research among Chase s voluminous and often hard to read correspondence and has incorporated pertinent collateral primary and secondary sources as well to produce the first modern biography of this key Civil War era personality book jacket
