What's the current effect on the market?

In your presentations, we looked at various factors companies will pay their attention to when determining whether to invest. Today, you will pay attention to 3-5. Please read what I've tagged as 3-5 in A 270, and make sure you have the following information highlighted all over the effect that you will be looking at. Please, I repeat, just not looking at the information in the business world. I repeat, just not looking at what is going on.

1. What information does the company have about the company's operations? (including the effect of the company's operations on the company's operations) The company will be able to see the effect of the company's operations on the company's operations.
