

# Answering the long answer questions

## Long answer questions

The long answer questions on the paper can be 4, 5 or 6 marks. For the foundation paper you will have one 6 mark question at the end of the paper, and possibly some 4 mark questions as well. For the higher paper you will have at least two 6 mark questions, along with some 4 and 5 mark questions.

These questions are often asking you to write in more detail about a process or make a judgement. They may also ask you to apply your knowledge to a situation.

Many students avoid these questions or don't pick up many marks as they answer them in the wrong way. This guide is here to help you attempt these questions and pick up more marks.
