Schrader, PhD.,2015 Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching Society advocates sports as a means to instill virtue and character in our youth But we all know that the system is broken to a large extent from youth sports through college and beyond Too many coaches and parents are driven by the scoreboard the win at all costs model Is it any wonder that 70%% of kids drop out of sports by age 12 Many of us remember the words and actions of coaches for a lifetime What memories are you leaving with your athletes Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well Join the journey and learn to coach with joy Gilbert Tuhabonye Author of This Voice in My Heart 8 time NCAA All American Distance Running Coach      **Bible Teacher's Commentary** Larry Richards, Lawrence O. names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book
