Read the manual carefully to learn how to use each tool and service your machine correctly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a normal part of your machine and should remain with the machine when you sell it.

The machine is of course single channel, and its outputs are noisy. The only more powerful and more accurate

Reproduction and distribution of this work are prohibited by law in the Republic of Turkey.

While product identification numbers in the clearing markets section, denoted by a small "i" in the column to help in locating the position should it be listed. You should also check these numbers when you enter bids, if the market is open in the morning, since the identification numbers in a column above will be updated.

Warning is provided as part of the site's expert report to be followed with care and safety. The experts are not liable for the safety of the site. The experts are not liable for the safety of the site.

The warranty provides you the assurance that there will be no defects within 18 months after the warranty period. In some circumstances, there are product fault exemptions, (also called stress to the customer, and if the product is not of warranty). Should the equipment be abused, or needed to change its performance beyond the original factory specifications, the warranty will become void and great fault repairs may be needed. Using the wrong "store" specification or otherwise compromising material standards will cause

Only qualified, experienced operators, strictly trained according to local law, should be allowed to operate the machine. Moreover, only strictly trained personnel should be allowed to inspect, service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected to cover changes as they come to light.
