

HOLT Physics

The background of the cover features a dark, deep blue space. In the lower-left quadrant, there is a bright, glowing yellow and orange shape that resembles a celestial body or a source of energy. From this source, several thin, white, curved lines radiate outwards, suggesting particle paths or gravitational fields. To the right of the central yellow shape, there are broad, flowing bands of light blue and white, which look like waves or nebulae. In the bottom right corner, a white sine wave is visible, representing a wave phenomenon. The overall aesthetic is scientific and dynamic.
