Landmark Essays on Rhetorical Genre Studies Carolyn R. Miller, Amy J. Devitt, 2024-11-01 Landmark Essays on Rhetorical Genre Studies gathers major works that have contributed to the recent rhetorical reconceptualization of genre. A lively and complex field developed over the past 30 years, Rhetorical Genre Studies is central to many current research and teaching agendas. This collection, which is organized both thematically and chronologically, explores genre research across a range of disciplinary interests but with a specific focus on rhetoric and composition. With introductions by the co-editors to frame and extend each section, this volume helps readers understand and contextualize both the foundations of the field and the central themes and insights that have emerged. It will be of particular interest to students and scholars working on topics related to composition, rhetoric, professional and technical writing, and applied linguistics.

Doing Your Child

Observation Case Study: a Step-By-Step Guide Cath Arnold, 2015-06-16 Many early years students and practitioners can struggle with how to observe children, knowing what makes good observations as well as how to use them and why they matter so much. This is a very practical how-to book on observing young children and preparing a child case study with helpful guidance on how to go about this, including where and how to begin and proceed, appropriate techniques and related processes as well as possible pitfalls. In addition, the book includes examples of good observations which show how your observation can be evaluated, analysed, and used. The book covers the whole process of embarking on the study or observation of a child or children, including sensitive areas or areas to avoid. It begins with choosing a child to study, the ethics of the study, ways of gathering data, and tools to use. Observations that are useful examples of short child case studies and longer child case studies, how to select material to include, and analysing or interpreting the material. One child, Georgia, is used as a focus example throughout the book so that you can really get to grips with how a good child observation study unfolds and develops. Further, shorter examples also illuminate the challenges and practicalities of doing your child observation case study.
