Katambora Rising The Second Safari Chronicle:

Katambora Rising Rory Johnston, 2014-11-07 Rory Johnston traveled to some of Africa's most remote regions as a child on safari with his parents. He grew up in the safari business and led expeditions throughout the remote countryside nurturing his passion for adventure. That passion is evident in his writing as Johnston pens books like *Katambora Rising* the second in a series of novels centered on protagonist Colin Somerset. While fictional it depicts the real life tragedy of ivory and rhino horn poaching that threatens the extinction of Africa's prized animals. *Katambora Rising* continues the story of Colin's dedication to the Zambezi River valley and its BaTonga people. Despite a grenade attack that nearly destroyed his Katambora Safari Ranch he remains steadfast in his determination to change his family's business from hunting to photographic safaris. Colin is looking forward to his upcoming wedding but little does he know that danger is lurking. The local military struck a deal for arms in return for ivory lots of it. The area is now being patrolled by the Selous Scouts an exclusive fighting force whose newest member Colin knows. It's Justin Charimba the same man jailed for nearly destroying Colin's ranch and he's back for revenge.
