*The World's Religions After September 11* Arvind Sharma, 2009 Convening on the fifth anniversary of the terrorist attack on the World Trade Center the global congress The World's Religions after September 11 explored the negative and positive possibilities of the religious dimensions of life The presentations from the congress have been pulled together in this set which addresses religion's intersection with human rights spirituality science healing the media international diplomacy globalization war and peace and more This comprehensive set includes contributions from such well known scholars of religion as Arvind Sharma and a host of others
