**The Mothers of the Believers** Halime Demireszik, 2023-08-17 One of the most important characteristics which form a perfect and concrete example of the Prophet Muhammad saw is the way he lived his family life He established a superior most virtuous and happiest home with his wives who had different ages cultures abilities and characters That home that he established was so full of patience and beauty that the scent of happiness covered them even though for days they were not able to cook a single hot meal due to lack of food In addition in that holy home the room of each wife was merely a place to lay one's head However in that home the most delicious provisions were acceptance patience and submission His education

method that he practiced in his family life filled their hearts with a limitless devotion and affection No wife can love their husband to the degree that the Holy Mothers loved the Prophet saw No husband can love his wife to the degree of the Messenger s love for his holy wives No child can love his or her father to the degree that Hz Fatima loved her father No father can love their child as much as Allah s Messenger loved Hz Fatima This is also true for grandchildren Our mother Hz Fatima the apple of the eye of the Ehl Bayt who was one of the rare roses of this exceptional rose garden means many things to the mothers and fathers these days her life was short but adorned with taqwa the awareness of Allah swt She shows them in a lively way that raising a child required a big effort and responsibility and that the children s futures were in Allah s hands The only purpose in that spiritual home which had between its members a sense of deep affection sacrifice and attachment was the reaching of Allah s acceptance in that home the biggest worry was about losing Allah s swt and His Messenger s saw affection and acceptance The Prophet s saw exceptional wives were the recipient of the honor of being the Mothers of the Believers by Allah s command They observed the Prophet saw as he received the inspirations of Quran and while he was praying while he was reading Quran eating speaking and sleeping shortly in every point of life they were cognizant of his spiritual mysteries which were far from all other eyes They past their lives with the sensitivity of deserving this big honor and virtue and they became to the women of the ummah community the best guides and teachers Thousands of hadiths were reported from them which explain the characteristics attitude and sunnet actions and sayings of the Prophet saw The book that is in your hands which tells the story of the perfect human and family head and also that of his family life and his wives is like the summary of this very important and detailed subject In society today where many social and family problems are lived and divorce increases day by day and the struggling children of these broken homes increase we need to know the holy and model home of the Prophet saw very much to the degree that we can smell the compassion mercy peace and inspiration
