The County of San Diego has set the bars high with its methodical approach in analysing financial situation applicants and providing them with the best financial support. It would be a great learning experience for me to be a part of your organization.

Currently, I work at [YYY Organization], where I evaluate the applicants' livelihood and recommend a list of government aid services, they can avail to uplift their financial condition. My typical day to day duties include the following:

- Cross-check the details provided by the clients for authenticity.
- Create a profile for the client in our database.
- Check for state government, central government, and private company-oriented policies that meet the requirements.
