

EAL/D English as an additional language or dialect

I am gifted but I have difficulty sharing my ideas

I speak French and Arabic

I can speak English but I cannot write English

Sometimes I couldn't get to school

I need help to understand and speak English with my new friends

My disability makes it even harder to learn English

I have been to school in four different countries

I was top of my class before I came to Australia

EAL/D students need targeted, systematic and explicit instruction based on their language needs and prior learning

The ACARA EAL/D Learning Progression identifies four phases of English language learning:

-  Beginning English
-  Emerging English
-  Developing English
-  Consolidating English

Approximately one in four students in Australia has English as a second or additional language/ dialect

EAL/D students can and do achieve at the same level as their English speaking peers

EAL/D learners can enter Australian schools at any age and at any time of the year
