Notice how many times Fitzgerald uses the words hope, or dream. Why does he do this? ✓✓One of the main themes in the novel is the meaning of someones "dream" or the American dream as a whole. In the book, people's dreams and hopes become distorted into a certain opinion of what a dream is and that is what in the end, destroys them.

Nick starts the novel by relaying his fathers advice "Whenever you feel like criticizing anyone, just remember that all the people in this world haven't had the advantages that you've had". List nick's advantages. Does he reserve judgment in the novel? ✓✓I think he tries, but at times fails. But he is defiantly one of the less judgmental characters.

Describe Nick. What facts do you know about him? and what do you infer about him? what kind of a narrator do you think he will be? ✓✓Nick comes from a prominent family and is fairly smart for he graduated from Yale. He seems to be a kind, non-judgmental person. I think he will tell the story honestly and from a justified point of view.

What image does the author use to describe Jordan Baker? What does it mean? ✓✓Fitzgerald describes Jordan Baker as intriguing but beautiful. When Nick first sees her, she is very stiff and uptight.
