

Simon
Armitage
(b. 1963)

Remains

- 1 On another occasion, we get sent out
to tackle looters raiding a bank.
And one of them **legs it** up the road,
probably armed, possibly not.
- 5 Well myself and somebody else and somebody else
are all of the same mind,
so all three of us **open fire**.
Three of a kind all letting fly, and I swear
I see every round as it rips through his life —
I see broad daylight on the other side.
So we've hit this looter a dozen times
and he's there on the ground, sort of inside out,
pain itself, the image of agony.
One of my mates goes by
and **tosses his guts back into his body**.
Then he's carted off in the back of a lorry.
- 15 End of story, except not really.
His blood-shadow stays on the street, and out on patrol
I walk right over it week after week.
- 20 Then I'm home on leave. But I blink

this sounds like it's in
the voice of a soldier
and the reader is
listening in

colloquial expression — makes
it sound like an ordinary
soldier

that's bold here,
which contrasts strongly
with the defensive attitude
that follows

repetition sounds like
he's been for the reader
to know it won't be
him — hints that he feels
guilty

this comes as a
surprise the sudden
violence doesn't fit with
the casual tone

poetic voice
switches to —
this is now more
personal

this violent metaphor
contrasts shockingly with
the colloquial style of the
first two stanzas

this is quite a grotesque
exaggerated image — he
says he can see through
the bullet holes
in the man's body

this is an almost
childish description of the
man's body — the speaker
seems unable to process
it in an adult way

two very casual, cold
actions — no respect for
the dead man. "tosses"
and "carted off" make
it sound as if the
body is a piece of
rubbish

a virtual reminder of the
death — it foreshadows
the memories that are
going to haunt him

the stanza ending reflects the
blinking — the environment
carries you forwards, and the
horror is still there when the
next stanza starts

short simple sentence suggests he
thinks that once he's at home
he'll forget the terrible things
he's seen. The suddenness of the
line also hints at the speaker
being confused

repetition
of "I see"
emphasises
the visual
nature of
the scene

turning
point (twist)
in the poem
the speaker's
view changes

Gcse English Veronica Analysis Paper Anthology
