Don't do this:

- Sleep until the night before; you do not want to be groggy, sleepy or lazy during this test.
- Eat breakfast. When you don't eat your brain isn't in the first part of your body to suffer.
- Relax & Let it Go. No one in the history of the world does anything better when they are freaking out. Except maybe Einstein in 8 miles. If there is something going on outside of school, in your personal life, or you're mad at someone in school, now is not the time. Now have a few hours to shred off all of your hard work, letting someone or something get to you is letting them win.
