Serger Amy Bardot, 2020-12-08 Did you know that major fashion houses and retailers like Zara, H&M, Gucci and even Tom Ford use a serger to make their garments look better? Do you want to unlock the true potential of your serger? Have you come across a serger for the first time and have no manual to help you out? Have you got your wife a new serger and want her to learn its secrets? Do you want to save 37 on classes and workshops and start getting better at serging sitting at home? A serger, also known as an overlock machine, is different from a standard sewing machine. It's the secret ingredient for fashion houses and retailers to add many speciality effects to their trendiest garments. It's impossible to make on your sewing machine what you can make on a serger. Just as a kitchen has a stove and a microwave oven, every sewing room should have a sewing machine and a serger. It can be used for more than just seam finishing. Once you start working with a serger, you'll be amazed at how much time you save. You'll love the results too. Soon you'll wonder how you ever got along without one. If mindless factories can manufacture things you love to spend money on, imagine what YOU could make with the right techniques. Note: This book has two parts: Part 1: Beginner's Guide to Serger: What Every Beginner Needs to Know to Unlock Her Serger's True Potential; Part 2: Intermediate Guide to Serger: Get Better Finishing, Improve Stitch Formation and Troubleshoot Effortlessly. Inside this book, you will discover the secrets of your serger and how to unlock its full potential. The #1 high performance thread every beginner seamstress should use to avoid breakages. The #1 key factor to improving stitch formation while using a serger. How

to diagnose the problem with your threading very quickly and without frustration One simple tip that will help you stabilize your stitches even if the material is too thin How to make a face mask with your serger How to revive expensive sergers back to life How to adjust the knife system in your serger correctly A lot of beginners get this wrong How to troubleshoot your serger even if you lost your manual Christmas stockings How to make them in 12 simple steps Best part is you can get a brand new serger for less than 200 Thankfully not only can you get sergers for a good deal but with this book you can easily learn how to use it to make the most out of clothing and home decor you already have You don t even need to read a manual to get started The directions are step by step with illustrations and designed such that they can be used for any serger So whether you have the latest Juki or the original baby lock from the 60s you can begin your serging journey here Everyday that you delay is another day you miss out on the instant upgrade of your favorite clothes decor and more Don t give up on your serger yet Take action now by scrolling up and clicking the Add to Cart button to receive this book at your doorstep
