pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord *How Then Shall We Guide?* Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis

insights from the training practices of the English medieval craft guilds a global survey of 500 church planters interviews with artists and church planting trainers and the authors 30 years of ministry experience The Craft of Church Planting offers a distinctive and imaginative perspective on the methods used to train future practitioners in the art of church planting Demonstrating how training for the next generation of church planting leaders might be informed by the historic master apprentice model guild learning communities creativity and an artisan approach to ministry this book is a vital resource to inform the methods of training for the next generation of church planters Growing in Discipleship Rev. Daniel Dapaah, 2024-08-19 The primary responsibility of the church its *raison d'être* is to make disciples by sharing the good news of salvation and teaching believers to grow in maturity in Christ Matt 28 16 20 1 Cor 3 2 3 14 20 What does it mean to grow in discipleship and maturity in Christ What are the required ingredients for such growth and maturity to occur Answers to both questions are provided in the book you're about to read Growing in Discipleship is wide ranging in scope from biblical studies to systematic theology focusing on a sample of fundamental doctrines of the Christian faith The book is written for both new and old believers who are seeking a deeper engagement with and understanding of the good news of salvation in Christ Daniel Dapaah has broken down the complex theological concepts to present them in a concise and accessible format to readers who have no background in biblical studies Beginning seminarians will also find this book useful But true discipleship is more than an intellectual assent to the doctrines of the church It is also a personal commitment to the life and teachings of Christ It involves growing spiritually to reflect the image of Christ Latin *Imago Dei* The book includes an Individual or Group Exercise guide at the end of each chapter focusing on sample questions from the study a Personal Application for reflection and a Commitment to grow and mature in Christ through the enabling power of the Holy Spirit This book is a useful resource for individual and group Bible study
