**The Routledge Handbook of Heritage and the Law** Lucas Lixinski, Lucie K. Morisset, 2024-02-14 The Routledge Handbook of Heritage and the Law sheds light on the

relationship between the two fields and analyses how the law shapes heritage and heritage practice in both expected and unexpected ways Including contributions from 41 authors working across a range of jurisdictions the volume analyses the law as a transnational phenomenon and uses international and comparative legal methodologies to distil lessons for broad application Demonstrating that the law is fundamentally a language of power and contestation the Handbook shows how this impacts our views of heritage It also shows that to understand the ways in which the law impacts key aspects of heritage practice it is important to tap into the possibilities of heritage as points of convergence of identity struggles over resources and the distribution of power Framing heritage as a driver for legal engagement rather than a passive regulatory object the book first reviews the legal fields or mechanisms that can shape action in the heritage field then questions how these enable authority and give power to those who seize heritage and finally envisions how the discussion between heritage and the law can lay new grounds in both those fields Lifting the mists that often render the law opaque in heritage studies the Handbook showcases the law as a medium through which the culture and the power of heritage are expressed and might be shared The Routledge Handbook of Heritage and the Law presents a view of the law that is aimed at those who wish to reflect on how law has changed or could change what heritage is and how it can support social cultural local or other development It will be of interest to scholars students policymakers and practitioners working in the areas of museum studies heritage studies and urban studies as well as in cultural intervention and planning Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Chapter 34 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons CC BY 4 0 license The Routledge Handbook of Heritage and the Law Lucas Lixinski Lucie [taylorfrancis.com](http://taylorfrancis.com)
