The Edgeryders guide to the future Council of Europe,2013-12-11 This publication is the result of the Edgeryders project an online dialogue platform run by the Council of Europe with a view to promoting discussion with young people on the challenges of their transition to working life Given that the imagination and the experiences of young citizens can only be understood in the context of horizontal relations learning though sharing and joint management in line with the networking approach which restores the significance of individual effort and provides innovative solutions a programme such as Edgeryders can provide a future oriented alternative In turn institutions must show creativity It is no longer a case of managing inertia but above all of creating a balance between what the public authorities can do and what they can facilitate By adopting a spirit of co operation the authorities can encourage the sharing of responsibilities ideas goods and values while opening up to mutual learning Nevertheless this type of interaction is only possible if two conditions are met Firstly institutions must show a clear desire to ensure unprecedented scope for dialogue with young people by ascribing a high value to the proposals that emerge from the contacts among and

with young citizens Secondly young people's interest in public affairs must be maintained in the long term by shoring up the online exchange with concrete evidence of legitimacy This publication is intended to help meet these two conditions

Guide to Policies for the Well-being of All in Pluralist Societies Council of Europe, 2010-01-01 This guide offers theoretical and practical tools for an innovative approach to a key political issue how along with our immigrant fellow citizens can we build a fair and plural society that ensures the well being of all By moving beyond rigid categories like foreigner immigrant and illegal and ambiguous concepts like identity diversity immigration control and integration this guide suggests that policy makers civil servants and citizens need to question their own vocabulary if they are to grasp the complexity and uniqueness of people's migration paths Perceiving migrants simply from the host country's point of view the security well being and life style of its nationals has limitations We cannot see people of foreign origin only as a threat or a resource to be exploited If we see them as stereotypes we are seeing only a mirror of European fears and contradictory aspirations This guide helps readers decode and address the structural problems of our society looking at the accusations made against migrants And The utilitarian view or the advantages that immigrants bring to host societies In publishing this guide The Council of Europe is seeking to initiate an in depth debate on the migration issue which is so high on the European political agenda

Guide for the development and implementation of curricula for plurilingual and intercultural education Jean-Claude Beacco, Michael Byram, Marisa Cavalli, Daniel Coste, Mirjam Egli Cuenat, Francis Goullier, Johanna Panthier, 2016-08-01 Understanding and experiencing the diversity of languages and cultures is both an aim of and a resource for quality education Plurilingual and intercultural education is a response to the needs and requirements of quality education covering the acquisition of competences knowledge and attitudes diversity of learning experiences and construction of individual and collective cultural identities Its aim is to make teaching more effective and increase the contribution it makes both to school success for the most vulnerable learners and to social cohesion This guide is intended to facilitate improved implementation of the values and principles of plurilingual and intercultural education in the teaching of all languages foreign regional or minority classical and language s of schooling
