*Twenty Years of Education Transformation in Gauteng 1994 to 2014* Felix Maringe, Martin Prew, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the books chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years National Youth Development Agency Annual Report South Africa. National Youth Development Agency, 2016 Rattling the Cage Brent Meersman, 2021-01-18 Most South Africans have strong views on our past and present often based on how we have been personally affected by history and an understanding of the challenges that face us as a country But how well examined and solid are these positions Have your views been properly thought through Are you correctly informed Do you even have the facts straight Rattling the Cage takes the reader on an informed tour of the South African reality from the highs and lows the successes and failures FW de Klerk's gaffes to Fees Must Fall the Oscar Pistorius trial the 2010 FIFA World Cup triple BEE global warming the Covid 19 pandemic gay rights in Africa and veganism Among the questions Meersman asks are Do South Africans still believe in their Constitution and democracy Why do so many young South Africans say Nelson Mandela was a sell out and the Truth and Reconciliation Commission was a dismal failure Is outlawing hate speech and criminalising racist behaviour really a good idea Why do communities still burn down their schools How did the Marikana massacre happen in the democratic era Why are African immigrants increasingly unwelcome in South Africa Can our media be trusted to tell us the truth And how do we embrace climate change History big picture philosophy grassroots journalism and a novelist's eye animated by a genuine sense of moral indignation at the current state of the nation come together in these essays to provide critical perspectives on and insights into South Africa's recent past and current political economic and social undercurrents No matter what your views are you are sure to find your understanding of the country deepened challenged and sometimes changed
