

The background of the book cover is a detailed molecular model. It features a central chain of green spheres (likely representing carbon atoms) connected by bonds. This chain is surrounded by numerous white spheres (likely representing hydrogen atoms) and some light blue spheres (likely representing oxygen atoms). The model is rendered with shading to give it a three-dimensional appearance. Two semi-transparent teal rectangular boxes are overlaid on the cover: one at the top center containing the authors' names, and one at the bottom center containing the edition information and a disclaimer.
