My Redemption Road From Devastation To A Dream:

Redemption Road Cherish Sade White, 2021-01-29 Cherish Sade White highlights the challenges of women re entering society after serving time in prison in Redemption Road Drawing on her own experiences as an ex offender she identifies why so many women exiting the judicial system struggle with turning their backs on crime As an ex offender she found the road to redemption miry but not impossible She offers her personal story along with facts and theories to assist women and those working with them in finding redemption from a life of crisis after incarceration Today the author is part of the solution and no longer a part of the problem Redemption was always the plan of God for her life As an ex offender the road you take is your choice You can choose freedom but freedom is not free If you want to overcome the mistakes of the past define who you are and reach your full potential as a woman you ll be inspired by the author s story **Redemption Road** Brendan

McManus, 2014-06-23 **My Road to Redemption** Jonathan, 2014 This book is more than just a reflection on my life I recognized that many people are struggling with the same burning questions and are making the same mistakes in their lives as what I did I needed to find out what my purpose on earth was why I have been unhappy for many years The idea came to write this book maybe I could help somebody discover themselves the way I have and understand that I have already paid for my mistakes no need to make the same mistakes again If this book can help to turn just one to God with love then all was worth it for me I truly discovered what I have been missing all my life and the fool I have become I discovered happiness acceptance and true peace and attempts to show the way here This is not a quick fix it book however if my words resonates in your heart you will follow the word of God because you want to and come to understand your purpose on this earth The story includes the future of South Africa although Britain and America is just mentioned in passing their respective futures are the same **The Long Road to Redemption** J. For Blessing or for Destruction Abigail Skyz,2016-06-29 Abby never dreamed she would not be the one to finish raising her children After all she was the one who had the encounter with Jesus Christ that changed her life forever How did this happen where did she go wrong The reader will explore the aftermath from Abbys personal experiences as she walked through the floods that ravaged her home and how she survived to tell about it Had this book been available in 1977 Abby would have bought it It would have been a source to help open her eyes on the importance of identifying and healing her own past childhood hurts in order to become healthy emotionally and empowered to stay away from unhealthy abusive men Abby would have learned how to proactively help her children guiding them on the road to healthy happy productive lives from the start It is a delicate and awkward subject discussing an abusive marriage that entails child sexual abuse and the horrific after effects of such abuse Could it be that God called Abby into His kingdom for such a time as this Former co host of the 700 Club Sheila Walsh wrote a book titled Honestly that book was a key factor in helping Abby to face and process her own past childhood trauma All I can say is WOW this is as much a self help book as it is a Memoir Donna Vigil R N **Don't Let the Devil Steal Your Dream** Anna M. Spear,2012-01-16 When we are born God puts a dream in our heart and there it stays for the rest of our life He then starts a process in motion that will help us to obtain that dream Though we may stop pursuing our dream God keeps reminding us we left the dream it didn t leave us One of the reasons so many people are unhappy today is because they are not living the dream God placed inside them Have you allowed the problems of your life to rob you of your dream Has the Devil sneaked in while you weren t looking and stolen the dream from you Well take it back True happiness is found only in Jesus and doing what he wants you to do There is no telling what wonderful things God has in store for you if you Don t let the Devil Steal Your Dream *Dream Nation* María Acosta Cruz,2014-03-19 Over the past fifty years Puerto

Rican voters have roundly rejected any calls for national independence. Yet the rhetoric and iconography of independence have been defining features of Puerto Rican literature and culture. In the provocative new book *Dream Nation*, Mar a Acosta Cruz investigates the roots and effects of this profound disconnect between cultural fantasy and political reality. Bringing together texts from Puerto Rican literature, history, and popular culture, *Dream Nation* shows how imaginings of national independence have served many competing purposes. They have given authority to the island's literary and artistic establishment but have also been a badge of countercultural cool. These ideas have been fueled both by nostalgia for an imagined past and by yearning for a better future. They have fostered local communities on the island and still helped define Puerto Rican identity within U.S. Latino culture. In clear, accessible prose, Acosta Cruz takes us on a journey from the 1898 annexation of Puerto Rico to the elections of 2012, stopping at many cultural touchstones along the way, from the canonical literature of the *Generaci3n del 30* to the rap music of Tego Calder3n. *Dream Nation* thus serves both as a testament to how stories, symbols, and heroes of independence have inspired the Puerto Rican imagination and as an urgent warning about how this culture has become detached from the everyday concerns of the island's people. A volume in the American Literature Initiatives series.
