Emergency Department Compliance Manual Rusty Mcnew, 2013-01-23 Emergency Department Compliance Manual 2013 Edition provides everything you need to stay in compliance with complex emergency department regulations. The list of questions helps you quickly locate specific guidance on difficult legal areas such as: Complying with COBRA, Dealing with psychiatric patients, Negotiating consent requirements, Obtaining reimbursement for ED services, Avoiding employment law problems. Emergency Department Compliance Manual also features first hand advice from staff members at hospitals that have recently navigated a Joint Commission survey and includes frank and detailed information. Plus Emergency Department Compliance Manual includes sample documentation that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards. Age related competencies, Patient assessment policies and procedures, Consent forms, Advance directives, Policies and protocols, Roles and responsibilities of ED staff, Quality improvement tools, Conscious sedation policies and procedures, Triage referral and discharge policies and procedures.
