Looking for Love in Strange Places: A Memoir for My Stepdaughters Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career She didn t have a boyfriend so a prospective husband was unlikely to materialize before the semester ended and a bachelor s in political science wasn t going to make her easily employable The solution Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values Thus began Diana s adventures Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty first century With excerpts from diaries letters and news articles she weaves together a narrative of war and peace presidents and peasants but mostly of ordinary people who teach her about life She also runs into a few extraordinary people along the way Fidel Castro Isabel Peron Pele Jorge Luis Borges and Hilary Clinton among others *Looking for Love in Strange Places* A Memoir for My Stepdaughters is a hopeful humorous account of what

happens when you seize the day without too many expectations for the future *Dark-Land: Memoir of a Secret Childhood*
 Kevin Hart, 2024-06-11 Put this beautiful book on your shelf between Frank Conroy's *Stop Time* and Tobias Wolff's *This Boy's Life*. William Giraldi, author of *The Hero's Body*. This powerful memoir from poet Kevin Hart traces his difficult childhood as a backward boy in a poor part of London, a disorienting move to tropical Australia, and the secrets he and his family kept from one another. *Dark Land: Memoir of a Secret Childhood* is Kevin Hart's searing yet at times hilarious narrative of his first thirteen years. It is a story of survival and transformation, of deception and recovery, and it passes from a frightening childhood in the East End of London to a new and bewildering life in sub-tropical Australia. Throughout, Hart draws on John Bunyan's evocation of Dark Land in *Pilgrim's Progress*: the place Valiant for Truth leaves in order to seek the Celestial City. But *Dark Land* is no allegory. We see Hart's hidden inner life, his family's penchant for keeping secrets and their illusions about the nature of their shared past. We see Hart grow from being the despair of his teachers in a rough primary school to experiencing a conversion in a math class in Brisbane, Australia, which turned him into a Christian, a poet, and an academic. Written in elegant, lucid prose without a trace of sentimentality, *Dark Land* is a memoir of a working-class childhood, a narrative of a migrant, and the story of a convert to Christianity. *To Love Ignorantly: Love's Memoir* Dalron J. Robertson, 2025-02-14 Love can feel effortless one moment, impossible the next, and in the space between, powerful revelations await. *To Love Ignorantly* follows eight distinct acts, each one illuminating the unexpected ways love enters and exits, life reshaping hearts and perspectives along the way. From tender first connections to heartbreak that unravels every assumption, each act explores how love's lessons, however painful or exhilarating, lead to deeper insight and growth. Behind every scene lies a thread of unwavering faith, gently guiding each encounter toward a purpose that's often hidden until later. With clarity and candid reflection, these pages capture the unpredictable, transformative nature of romance and friendship alike, reminding us that no meaningful bond is ever truly lost. For anyone yearning to find value in past hurts or ready to embrace the mystery of future hopes, *To Love Ignorantly* offers a heartfelt invitation: venture beyond comfort, allow love to do its revealing work, and trust that every unexpected turn can bring you closer to the life and the love you're ultimately meant to experience. *More to Life than More* Alan Pesky, Claudia Aulum, 2021-09-07 At the age of thirty, just as everything was falling into place for him, Lee Pesky died of brain cancer. For his father, Alan, grief came with the realization that he had lost the chance to love Lee as he wanted him to be. Ambitious, successful, and always striving for more, Alan had a hard time relating to a son who struggled with learning disabilities at a time when there was little understanding or help for kids who had them. Their relationship was complicated, and now Lee was gone. *More to Life than More* is a memoir of misunderstanding, loss, and learning. After Lee's death, Alan's conception of more crumbles. He launches himself into keeping Lee's memory alive by helping kids in a way he wasn't able to help his son. It was too late to change his relationship with Lee, but he could create something positive and enduring from his loss. Lee Pesky Learning Center, a non-profit in Idaho, dedicated

to understanding and helping those with learning differences In 25 years LPLC has benefited more than 100 000 children and has become a national force for early childhood literacy And for Alan it has meant getting to know the son he had misunderstood and lost
