Geography Paper Memo March 2014:

Origination Andy Pike, 2015-06-02 *Origination The Geographies of Brands and Branding* offers innovative theoretical and conceptual frameworks relating to the ways that actors create meaning and value in commodity brands and branding through processes of geographical association Provides innovative conceptualization and theorization to facilitate an understanding of the geographical dimensions of brands and branding Challenges current interpretations of brands as vehicles of homogenization in globalization Establishes the theoretical and conceptual foundations of a more geographically sensitive approach through rigorous empirical examination of the under researched geographical differentiation of commodity brands and branding Presents innovative new research and analysis of the socio spatial biographies of the Newcastle Brown Ale Burberry and Apple brands Forges strong new connections between political and cultural economy approaches within geography Provides a distinctive and incisive conceptual and theoretical framework capable of engaging other branded commodities and their branding in other times and places *Rockhound: A Geography of Collecting* Michael Gordon, 2017-05-15 In this book *Rockhound A Geography of Collecting* you will be shown Ontario's incredible history of mineral extraction and as you will see rockhounds follow in the signature that every industry left The full *Rockhound* series tells you how and where to find crystals minerals gold diamonds and all manner of rock and mineral treasure for the collector this book is an absolute gem and an essential guide to Ontario geology as it relates to mineral collecting *The Drone Debate* Avery Plaw, Matthew S. Fricker, Carlos Colon, 2015-12-24 *The Drone Debate* offers a thorough investigation of the where why how and when of the U S's use of UAVs Beginning with a historical overview of the use of drones in warfare it then addresses whether targeted killing operations are strategically wise whether they are permissible under international law and the related ethical issues It also looks at the political factors behind the use of drones including domestic and global attitudes toward their use and potential issues of proliferation and escalation Finally the use of drones by other countries such as Israel and China is examined Each chapter features a case study that highlights particular incidents and patterns of operation in specific regions including Yemen Somalia Pakistan and Libya and strike types signature strikes personality strikes etc **Deepening Neoliberalism, Austerity, and Crisis** Julien Mercille, Enda Murphy, 2015-07-07 From bank bailouts to austerity Europe's and Ireland's response to the economic crisis has been engineered specifically to shift the burden of paying for the crisis onto ordinary citizens while investors financiers bankers and the privileged are protected The authors expose the class based nature of Ireland's crisis resolution **Handbook on Wealth and the Super-Rich** Iain Hay, Jonathan V Beaverstock, 2016-01-29 Fewer than 100 people own and control more wealth than 50 per cent of the world's population The *Handbook on Wealth and the Super Rich* is a landmark multidisciplinary evaluation of both the lives and lifestyles of the super rich as well as the processes that underpin super wealth generation and its unequal distribution Drawing on international case studies leading experts from across the social sciences offer 22 accessible and coherently

organized chapters which critically analyse a range of topics including the legitimacy of extreme wealth from a moral economic perspective biographies of illicit super wealth London s housing markets how the very wealthy fly the environmental consequences of super rich lives crafting immigration policies to attract the rich Students and scholars studying a host of topics such as development studies economics geography history political science and sociology will find this book eminently engaging It will also be of great interest to public commentators charitable organizations and NGOs concerned with wealth and income distributions

Post-Soviet Power Susanne A. Wengle, 2015-02-05 *Post Soviet Power* tells the story of the Russian electricity system and examines the politics of its transformation from a ministry to a market Susanne A Wengle shifts our focus away from what has been at the center of post Soviet political economy corruption and the lack of structural reforms to draw attention to political struggles to establish a state with the ability to govern the economy She highlights the importance of hands on economic planning by authorities post Soviet developmentalism and details the market mechanisms that have been created This book argues that these observations urge us to think of economies and political authority as mutually constitutive in Russia and beyond Whereas political science often thinks of market arrangements resulting from political institutions Russia s marketization demonstrates that political status is also produced by the market arrangements that actors create Taking this reflexivity seriously suggests a view of economies and markets as constructed and contingent entities

Land Fictions D. Asher Ghertner, Robert W. Lake, 2021-03-15 *Land Fictions* explores the common storylines narratives and tales of social betterment that justify and enact land as commodity It interrogates global patterns of property formation the dispossessions property markets enact and the popular movements to halt the growing waves of evictions and land grabs This collection brings together original research on urban rural and peri urban India rapidly urbanizing China and Southeast Asia resource expropriation in Africa and Latin America and the neoliberal urban landscapes of North America and Europe Through a variety of perspectives *Land Fictions* finds resonances between local stories of land s fictional powers and global visions of landed property s imagined power to automatically create value and advance national development Editors D Asher Ghertner and Robert W Lake unpack the dynamics of land commodification across a broad range of political spatial and temporal settings exposing its simultaneously contingent and collective nature The essays advance understanding of the politics of land while also contributing to current debates on the intersections of local and global urban and rural and general and particular Contributors Erik Harms Michael Watts Sai Balakrishnan Brett Christophers David Ferring Sarah Knuth Meghan Morris Benjamin Teresa Mi Shih Michael Levien Michael L Dwyer Heather Whiteside

One Nation Undecided Peter H. Schuck, 2019-08-06 At a time of deep social and political division along comes a much needed book to steer us toward solutions to five very difficult national problems There could be no better guide for this endeavor than Peter Schuck one of the clearest and most thoughtful legal and policy scholars of this or any generation Robert E Litan author of *Trillion Dollar Economists*
