Though cuckolding is a common and hot fantasy for a lot of men into femdom or humiliation and or I should say actually transitioning from fantasy to reality is something most people struggle with And if you re part of that large group I understand It wasn t always easy for me to convince MY S O s at the time to participate in this wonderful form of play and some flat out denied at the time It took me a long long time to understand what really works in terms of BOTH partners being REALLY emphasis open to the fantasy and play and fully embracing their respective roles in it Remember cuckolding takes things one step further Until now you ve likely limited your play no matter how base or humiliating to your Lady and yourself or perhaps other ladies on occasion but if you re a guy you ve likely never brought other men into the picture although you ve wanted to many a times And if you re a dominant lady you ve probably often wondered just why exactly you can t bring other men in on command to satisfy you but have yet struggled with the I m in a relationship conundrum and then never gone ahead with the fantasy But our base desires and fantasies never go away my friend We are who we are a deep subconscious level and the subconscious will KEEP pushing your base desires to the surface until they re met Have you ever noticed that the things you think about the most are the things that HAPPEN in your life The thoughts that you put the most emotion into be they positive or negative are what makes events manifest in your life and this is a truism that cannot be escaped whether we re talking vanilla life or BDSM The subconscious is key to who we are and it is key to get the subconscious to accept what we do on a sexual level as well as in real life to avoid any sort of emotional backlash from our actual physical actions and my experience in this regard combined with my extensive experience with femdom and related areas in general makes me the best person to bring you these tips in an easy to understand down to earth yet brutally frank manner that characterizes all my writings And THIS is where most cuckold relationships end up failing as deep down inside people struggle to accept the fantasy for what it is and therefore attempts to translate it into reality end in failed relationships misery for both the partners and way worse And many many years ago yours truly was no exception to the rule either I ve had plenty of homosexual fantasies and encounters along those lines as well which initially left me feeling powerless and used but upon probing these feelings I realized that it was actually a part of me I was trying to repress all along for fear of shame from the outside world

Starting with the first time I sucked cock in a motel to the two or three times I sucked dick after that and the many times after THAT I m no stranger to the myriad of emotions accompanying the actual experience I m NOT a stranger to the sheer rush I got from submitting to another man especially with a lady witnessing it all a lady that I was dating a while ago to be frank I m not a stranger to the guilt trips my self experienced as well post my first few encounters clearly a case of me not being comfortable with revealing who I was at my deepest levels and I offer tips to remedy this sort of thing in this manual And given I ve worked past all this this manual is an attempt an honest attempt to bring cuckolding out in the open along with providing workable TIPS for BOTH partners to make the relationship last at a deep and satisfying level for the long term Once you go cuckold you truly never go back and you ll understand what I mean when you start implementing the tips in this manual and watch your satisfaction with your sex life SOAR to levels hitherto unimaginable Grab it now [Chapel of Inadvertent Joy](#) Jeffrey McDaniel,2013-10-15 Reading Jeffrey McDaniel s gorgeously dark and utterly compelling Chapel of Inadvertent Joy reminds me that he is probably the most important poet in America The book in your hands was written by a master of metaphor and a poet of huge imagination and fierce ingenuity a fine antidote to realism Get this voice in your head Major Jackson **PENIS WORSHIP - the COMPILATION!** Mike Watson, My world famous series on penis worship Literally NOTHING like these books out there that have brought truly life changing results to those that love to suck cock or worship it otherwise and get in touch with their inner woman Wait a minute did I just say that yes I did but there s more This course is by no means just for men it is for WOMEN too Both men women and trans or inbetween or whatever you classify yourself as I ain t a huge believer in labels can and SHOULD benefit IMMENSELY from this book BDSM lovers will love this but it applies equally to those interested in regular vanilla if there is such a thing hehe sex These two courses will teach you to worship cock beyond your wildest dreams and fantasies and your sex life will NEVER be the same again reading and implementing what I teach you in this book And lest you thought it was was just tips and tricks Nay You ll learn all about different TYPES of penise too and the best ways to worship each type Get this now my friend Best Mike Watson PS Here are but SOME of the benefits off the top of my head If you re a dominant STUD Much like if you re a dominant lady you ll learn how to have your CAKE and EAT IT TOO both sexually and otherwise Experience the sheer RUSH that comes from being worshipped as a true ALPHA male a man that is the BOSS in every which way Believe me when you need to piss and have someone hold your cock for you as you do it the sheer MENTAL aspect of this and just how deliciously dominant you feel cannot be duplicated by anything else True submission is about your WASTE matter being treated like NECTAR and as you piss in a bottle or glass as he holds it humbly looking on at your magnificent organ releasing its precious PEE you ll feel a rush like never before Experience the delights of cock and ball and ass worship like you never ever have before Your cum is precious and as you unload on him each moan of pleasure from a truly satisfied REAL MAN with a MAGNIFICENT and SUPERIOR COCK will remind you that your cum deserves to be treated like the gold it is and the sheer rush you ll experience

is beyond belief You ll have TWO people worshipping you one the lady and if you re straight this alone will be enough and two a servant that exists only to serve YOU Take your male dominated or cuckold bull relationship to new levels altogether Learn about parts of the male body you didn t even know existed and the exquisite pleasure you can get from said parts and more Submissives and vanilla cock worshippers Cock worship is a submissive activity even if you re not into BDSM and that sheer RUSH that sheer feeling of SERVICING HIM and of course the way he REACTS when you slobber on his dick is what makes it all worth it along with the SIGHT of the dong And when you worship each cock in a different manner or slightly different manner then you ll see cocks up front and close in all their glory and their pleasure will be yours too x 10 Take the submissive vibe to the next level enough said They talk about looking the person in the eye when sucking dick Well that might be good But in this course you ll learn that talking to his dick not him is really the way to do it you ll be looking at his third eye more than anything else boy or girl How to give him pleasure and satisfaction like never before Paying attention to a man s dick as I teach you here is one of the best ways to win his heart over or his dominance trust me on this or both And loads more Grab this now my best ever MW The Inquisitors' Manual António Lobo Antunes, 2004-04-08 Like a Portuguese version of As I Lay Dying but more ambitious Ant nio Lobo Antunes s eleventh novel chronicles the decadence not just of a family but of an entire society a society morally and spiritually vitiated by four decades of totalitarian rule In this his masterful novel Ant nio Lobo Antunes one of the most skillful psychological portraitists writing anywhere renders the turpitude of an entire society through an impasto of intensely individual voices The New Yorker The protagonist and anti hero Senhor Francisco a powerful state minister and personal friend of Salazar expects to be named prime minister when Salazar is incapacitated by a stroke in 1968 Outraged that the President Admiral Am rico Tom s appoints not him but Marcelo Caetano to the post Senhor Francisco retreats to his farm in Set bal where he vaguely plots a coup with other ex ministers and aged army officers who feel they ve been snubbed or forgotten But it s younger army officers who in 1974 pull off a coup the Revolution of the Flowers so called since no shots were fired carnations sticking out of the butts of the insurgents rifles ending 42 years of dictatorship Senhor Francisco more paranoid than ever accuses all the workers at his farm of being communists and sends them away with a brandished shotgun remaining all alone a large but empty shadow of his once seeming omnipotence to defend a decrepit farm from the figments of his imagination When the novel opens Senhor Francisco is no longer at the farm but in a nursing home in Lisbon with a bedpan between his legs having suffered a stroke that left him largely paralyzed No longer able to speak he mentally reviews his life and loves His loves In fact the only woman he really loved was his wife Isabel who left him early on when their son Jo o was just a tiny boy Francisco takes up with assorted women and takes sexual advantage of the young maids on the farm the steward s teenage daughter and his secretaries at the Ministry but he can never get over the humiliation of Isabel having jilted him for another man Many years later he spots a commonplace shop girl named Mil who resembles his ex wife He sets the girl and her mother up in a fancy

apartment makes her wear Isabel's old clothes and introduces her to Salazar and other government officials as his wife and everyone goes along with the ludicrous sham because everything about Salazar's Estado Novo New State was sham from the rickety colonial empire in Africa to the emasculate political leaders in the home country themselves monitored and controlled by the secret police Once the system of shams tumbles like a castle of cards Francisco's cuckoldry glares at him with even greater scorn than before and all around him lie casualties Mil and her mother return to their grubby notions shop more hopeless than ever because the mother is dying and Mil is suddenly a spinster without prospects The steward with no more farm to manage moves his family into a squalid apartment and gets a job at a squalid factory The minister's son raised by the housekeeper grows up to be good hearted but totally inept so that his ruthless in laws easily defraud him of his father's farm which they turn into a tourist resort The minister's daughter Paula whom he had by the cook and who was raised by a childless widow in another town is ostracized after the Revolution because of who her father was even though she hardly ever knew him Isabel the ex wife also ends up all alone in a crummy kitchenette in Lisbon but she isn't a casualty of Senhor Francisco or of society or of a political regime but of love of its near impossibility Disillusioned by all the relationships she had with men she stoutly resists Francisco's ardent attempts to win her back preferring solitude instead We have to go to the housekeeper Titina this novel's most compelling character to find hope of salvation however unlikely a source she seems Unattractive and uneducated Titina never had a romantic love relationship though she secretly loved her boss who never suspected She ends up like him in an old folks home and like him she spends her days looking back and dreaming of returning to the farm in its heyday Old age is a great equalizer And yet the two characters are not equal Titina retains her innocence But it's not the innocence of helpless inability the case of Jo o Francisco's son nor is it the pathetic innocence of Romeu the emotionally and mentally undeveloped co worker by whom Paula has a son Titina isn't helpless or ingenuous and she isn't immune to the less than flattering human feelings of jealousy impatience and anger But she never succumbs to baser instincts She knows her worth and cultivates it She is a proud woman but proud only of what she really is and what she has really accomplished in life At one level and it operates at many The Inquisitorsssss Manual is an inquiry into the difficult coexistence of self affirmation and tenderness toward others Their correct balance which equals human dignity occurs in the housekeeper
