highly contrasted heart of one of the world's largest and most exciting cities. This lively up to the minute Japan travel guide covers modern Tokyo like no other. Here's where you will find the ideal balance between the still extant traditional Japan with its temples, way of life, arts and crafts, kimono, festivals, customs and cuisine and the crowded futuristic technopolis of electronics, high fashion, contemporary art and architecture and gastronomic experiences from the four corners of the globe. Bewildering at times, the coexistence of such contrasts is precisely what makes Tokyo tick. More than just a perfunctory Tokyo guide, this is a handbook for life in contemporary Tokyo. The style is informative, absorbing and witty and where due, refreshingly frank and critical. Bursting at the seams with information, it is not only invaluable for the short-term visitor or the newcomer but likely to send even the most jaded long-term residents off to explore some new horizons of their many faceted adopted home.
