from Washington Donald A. Ritchie, 2005-03-15 Donald Ritchie offers a vibrant chronicle of news coverage in our nation s capital from the early days of radio and print reporting and the heyday of the wire services to the brave new world of the Internet Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists including Walter Lippmann Joseph Alsop and Drew Pearson as well as the great investigative reporters from Paul Y Anderson to the two green Washington Post reporters who launched the political story of the decade Woodward and Bernstein We read of the rise of radio news fought tooth and nail by the print barons and of such pioneers as Edward R Murrow H V Kaltenborn and Elmer Davis Ritchie also offers a vivid history of TV news from the early days of Meet the Press to Huntley and Brinkley and Walter Cronkite to the cable revolution led by C SPAN and CNN In addition he compares political news on the Internet to the alternative press of the 60s and 70s describes how black reporters slowly broke into the white press corps helped mightily by FDR s White House discusses path breaking woman reporters such as Sarah McClendon and Helen Thomas and much more From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in

American journalism in the twentieth century **100 Media Moments That Changed America** Jim Willis,2009-12-09

From the launching of America's first newspaper to YouTube's latest phone videoed crime the media has always been guilty of indulging America's obsession with controversy This encyclopedia covers 100 events in world history from the 17th century to the present moments that alone were major and minor but ones that exploded in the public eye when the media stepped in Topics covered include yellow journalism the War of the Worlds radio broadcast the Kennedy Nixon debates JFK's assassination the Pentagon papers and Hurricane Katrina These are events that changed the way the media is used not just as a tool for spreading knowledge but as a way of shaping and influencing the opinions and reactions of America's citizens Thanks to the media's representations of these events history has been changed forever From classified military plans that leaked out to the public to the first televised presidential debates to the current military tortures caught on tape 100 Media Moments That Changed America will demonstrate not only an ever evolving system of news reporting but also the ways in which historical events have ignited the media to mold news in a way that resonates with America's public This must have reference work is ideal for journalism and history majors as well as for interested general readers Chapters are in chronological order beginning with the 17th century Each chapter starts with a brief introduction followed by media event entries from that decade Each entry explains the moment and then delivers specific details regarding how the media covered the event America's response to the coverage and how the media changed history **Summary: The Way to Win**

BusinessNews Publishing,2017-01-30 The must read summary of Mark Halperin and John F Harris's book The Way to Win Taking the White House in 2008 This complete summary of The Way to Win by Mark Halperin and John F Harris presents their explanation of what differentiates victors and victims in modern American politics using examples from Clinton and Bush and their strategists Karl C Rove and Bill Clinton himself An exciting round up of the events leading up to the 2008 election Added value of this summary Save time Understand the 2008 election and what might distinguish a winner from a loser Expand your knowledge of American politics and history To learn more read The Way to Win and discover what it takes to gain success in a presidential campaign in modern American politics **Dissed Trust** William DeMersseman,2010-09-30

Distrust of government is a natural response to a controlling and out of control bureaucracy The motivation for protest and reform is not animosity towards government and its legitimate functions but a love of America and a passionate desire to pass on to the next generation the innumerable blessings of liberty Citizens are frightened by the government's relentless growth unsustainable debt trajectory culture of corruption and encroachment of individual rights Critics of the tea party movement attempt to derail it with meritless claims of racism extremism bigotry conspiracy class warfare and malice The claims are ridiculous Tea party participants include members of every party social class ethnicity age and gender they hold varying views on a number of issues but share a deep appreciation for the limited constitutional government established by America's founders They see Washington's profligate spending imperious unaccountability and reprobate political

environment as symptoms of a federal government that recognizes no limitations on its power They feel a civic responsibility to speak out and to work toward a return to constitutional governance and sound fiscal policy This is not a book about the tea party movement It is a book about the political economic and cultural upheavals fueling the movement the insanely escalating national debt the increasingly coercive and contemptuous political establishment the arrogant failure of true political leadership and the pervasive assault on the society sustaining virtues of truth trust integrity morality freedom and civility *Encyclopedia of American Journalism* Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies
