This diagram illustrates the exploded view of a mechanical assembly, possibly a pump or actuator. The main component is a large, complex housing with a central cylindrical section and a flared base. To the left, a smaller cylindrical component is shown with a flange and a central shaft. Above the main housing, a long, thin rod or shaft is depicted, along with a coiled spring and a small, rectangular component. To the right, a control lever or actuator is shown, featuring a long, thin arm and a rectangular base. The diagram uses a simple line-art style with no shading, set against a light beige background.
