The Proud Oak

Once upon a time, in a beautiful forest, there stood a large, old oak tree. He was very proud of his size and strength. He looked down on all the other trees and said, "I am the king of the forest. No one can match me."

One day, a gentle reed grew up near the oak. The reed was very small and thin, but he was very strong. He said to the oak, "You are very strong, but you are also very proud. I am not so strong, but I am not so proud either. I am just a reed, and I know my place in the forest."

The oak laughed and said, "You are just a reed. You will break when the wind comes. I will stand firm. I will be the king of the forest forever."

One day, a strong wind came. The oak tried to stand firm, but he was so proud that he did not bend. He was broken in two. The reed, on the other hand, bent with the wind and survived.
