Aks-e-Khwaab by Aarzoo Ali Kaif | English Version Aarzoo Ali Kaif, Dreams are where I found her and reality can never take her away Aks e Khwaab is a poetic journey through the labyrinth of unspoken emotions unfulfilled desires and a love that exists only in the sanctuary of dreams This collection of evocative ghazals captures the essence of a connection that transcends time and reality a bond painted with the delicate strokes of longing and imagination Through verses that weave between the real and the surreal the author delves into the bittersweet beauty of a love that lingers in silence a yearning that resonates in the quiet of the night Each ghazal is a reflection of a soul tethered to memories of a girl whose laughter dimples and sparkling eyes became the light of an eternal dream This is not just a book but a celebration of those who cherish the solace of dreams over the harshness of reality It invites readers to lose themselves in a world where love thrives in whispers where every word becomes a melody and where every page holds a piece of the heart Aks e Khwaab is for anyone who has ever loved lost and found refuge in the beauty of their own imagination Let this collection guide you into the world of dreams where love is eternal and reality fades into the shadows Step into the dream Let the magic begin
