Daisy: Not Your Average Super-sleuth! Book 1, The Root of all Evil R T Green, 2023-06-26 An innocent rosebush uprooted in the middle of the night reveals a horrific secret Determined to bring those responsible to justice Daisy embarks on a dangerous trail that grows darker and darker with each unexpected turn Essentially English almost certainly quirky and definitely a little crazy come and meet our Norfolk based R E D Retired Extremely Daisy heroine and find out why she s such a hit with readers of all ages One of the best cozy mysteries I ve ever read A real breath of fresh literary air Retirement to a sleepy East Anglian village doesn t go quite as Daisy hoped after a seemingly insignificant event triggers something very significant indeed A mystery to solve is the last thing she expects to stumble across in a sleepy village a few miles from Kings Lynn in Norfolk To her surprise she s adapted to country life quite well although she rather unkindly refers to the beautiful village of Great Wiltingham as the place people go to wilt According to Daisy nothing is ever quite what it seems In her case that s the truest thing ever spoken She s nothing like a pensioner is supposed to be It could be something to do with the career she had before retiring or perhaps because she wishes she d never had to leave it behind at all For some strange reason trouble seems to follow her around It s been a peaceful twelve months settling into village life but that s about to come to an abrupt end The Root of all Evil is the first book in the long running Daisy Morrow series Check out the entire series on the new rtgreen website While you re there have a look at our 1920 s historical series too The Sandie Shaw Mysteries Take a break from the world around you just for a while Relax with a smile or a cringe and a truly original story Enjoy

Book 12, The Pointing Finger R T Green, 2023-05-31 Essentially English almost certainly quirky and definitely a little crazy come and meet our feisty R E D Retired Extremely Daisy heroine and find out why she s such a hit with readers One of the best cozy mysteries I ve ever read A real breath of fresh literary air This time Daisy s past catches up with her again but in an even more worrying way Following a recent embarrassing diplomatic mess MI6 has tasked an obnoxious thoroughly unpleasant senior agent with cleaning up their image Part of his task involves scrutinising old missions from before the time the SIS had to be more politically correct His eagle eyes have unearthed a case in 1998 which he believes proves Daisy to be a double agent and unfortunately for her he has the authority to prosecute He s not letting go but then a couple of discoveries in Daisy s present spook her even more The darker side of MI6 is out to make an example of her and ensure they re seen to be doing it She realises she has to tread very carefully to prove her innocence especially as recent events are more fuel for the pointing finger Daisy can t trust anyone outside her family other than the one person who might be able to help The only problem is she s not in the UK A trip to the Caribbean is on the cards but when Daisy and Aidan reach Emerald Island it s not long before they discover something no one in the entire world expected Read all about Daisy and everything else we do on the spectacular new rtgreen website And enjoy

Daisy: Not Your Average Super-sleuth! Book Eighteen, Murder by the Book R T Green, A well known Norfolk author is rumoured to be

up to his neck in dark deeds When his nemesis goes missing it starts to look like there s only one person responsible But is all what it seems Daisy decides she has to know for sure and there s only one way to do that Jolyon Prendegast a multi million selling author of gothic horror novels is Norfolk based and living in a gothic style manor not so far from Great Wiltingham But he s about to be exposed Abbie Drake an investigative reporter is well known for her devotion to exposing all things suspect She s had her teeth into Prendegast for a while claiming he didn t write any of his books Her weekly podcast The Terrier Times is followed by a lot of people At the end of her latest episode she hints that she s about to expose Prendegast for far darker deeds than she first thought and she d reveal all in the next podcast That podcast never appears Already suspicious the Poppleswick Pensioners take it upon themselves to investigate visiting the manor to confront the man Needless to say they don t get very far but refusing to give up things go scarily downhill for the terrible twosome In the meantime Sarah asks Daisy for help with a possibly missing person Burrows doesn t have time to look into That person is Abbie Drake who also lives in Great Wiltingham The plot thickens on both sides Maisie and Doris become ever more convinced Prendegast is responsible for all kinds of horrors and as Daisy and Aidan delve into Abbie s disappearance those circumstances quickly become darker too But is all as it seems Is the truth fact or fiction With no hard evidence Daisy decides there s only one way to find out for sure and it s not exactly risk free Enjoy **Daisy: Not Your Average**

Super-sleuth! The Siege of Castle Montazzini R T Green,2023-09-09 A few days relaxation in an ancient castle on the shores of Lake Lugano in Northern Italy sounds like an opportunity not to be missed for Daisy and Aidan Until Leonardo da Vinci a knight in shining armour and a tale of greed and debauchery rear their ugly heads that is Far from relaxing our RED heroine begins to wonder if they ll even escape with their lives One of the best cozy mysteries I ve ever read A real breath of fresh literary air Daisy receives an out of the blue phone call from her one time neighbour back when they lived in London Gloria invites her and Aidan to visit their castle in the Italian Lakes for a few days break Married to an Italian businessman her husband Marcello inherited the castle a few years ago when his wealthy parents passed away Now living in the impressive sixteenth century family residence Gloria thought they may like to see what they ve done with the place As they travel to Italy Daisy can t shake off the feeling all is not quite what it seems She and Gloria have been in touch from time to time but not had that much contact since they moved away Her ex neighbour sounded chirpy on the phone but perhaps a little too chirpy Daisy is well aware that sometimes people gush about how happy they are to try and hide just how happy they re not She says nothing to Aidan putting it down to her paranoid gut envisioning problems where none exist and forces herself to look forward to the few days abroad They ve only been in the castle a few hours when Daisy has to admit ignoring her gut feeling was the worst idea ever realising that what motivated people centuries ago still motivates them today It s not looking good Read about Daisy and our other major series The Sandie Shaw Mysteries set in 1920 s Chicago on the new rrtgreen website And enjoy *Daisy: Not Your Average Super-sleuth! The First Bundle* R T Green,2023-11-11 It all begins

with a rose bush mysteriously uprooted in the middle of the night revealing a horrific secret If you've not met our R E D Retired Extremely Daisy heroine yet the first bundle is a great way to get to know her and the hit series Three full books for less than the price of two Daisy moved to a village a few miles from Kings Lynn in Norfolk a year ago after a very unfortunate incident in London made her decide village life was the best option She's adapted to country life quite well although she rather irreverently refers to the village of Great Wiltingham as the place people go to wilt She does have a wicked side after all One of the best cozy mystery series I've ever read A real breath of fresh literary air In the first book after some strange goings on and a murder in the village Daisy and Aidan together with a young police woman called Sarah whose curiosity gets the better of her set about solving the mystery It all begins with a rose bush mysteriously uprooted in the middle of the night revealing a horrific secret In the second book village life has reverted to as normal as it ever gets where Daisy is concerned Then one morning everything changes in a very tragic way To begin with Daisy believes someone from her past is responsible Before she retired she had a job very few people have after all Then a clue from a really unexpected source makes her wonder if it might be someone much closer to home So once again she becomes the worm on the hook much to Aidan and Sarah's horror For Daisy there's no choice because this time it's just about as personal as it gets In the third book following a surprise lead their daughter might have been sold by traffickers to someone in Africa three years ago Daisy Aidan and Sarah head for Uganda But they've only been in the country a few minutes when a mysterious dying man thrusts a note into Daisy's hand As he gasps his last breath he begs her not to involve the police She suddenly realises there isn't just one but two mysteries to be solved The extra mystery deepens as three different people confess to a murder that took place many years ago But there's a silver lining to solving a case the local police closed in the nineteen sixties because it unearths an overgrown path that just might lead them to Celia A path that could very well end in an international incident Read all about Daisy Sandie and everything else we do on the new rtgreen website Enjoy [Daisy: Not Your Average Super-sleuth! Book 10, Waltzing Matilda](#) R T Green, 2023-05-30 Essentially English almost certainly quirky and definitely a little crazy come and meet our feisty R E D Retired Extremely Daisy heroine and find out why she's such a hit with readers One of the best cozy mysteries I've ever read A real breath of fresh literary air It's the Great Wiltingham End of Spring Fayre Everyone is there including the local landowners Lord and Lady Falconbridge Stuart The women are encouraged to dress as flowers the men as vegetables no gender related pun intended It is a two hundred year old festival after all Daisy and Aidan are there too and despite Daisy being virtually ordered to attend as she already has the name of a flower she starts to enjoy the day Until things turn darker that is Someone is murdered and with many of those attending disguised by their costumes it's not easy to know who is even there to be a suspect Then someone makes everything easier by confessing to the crime It's the last person anyone expects At first Daisy is quite prepared to accept the confession given who it is but the others persuade her things maybe aren't as cut and dried as they first appear The Henderson Detective Agency delve a little deeper and soon discover
