It was a quest that was considered by many to be impossible stupid and risky But avid bicyclist and author Doug Freedline was determined to succeed on this planned bike trip that would take him around the Great Lakes across Canada down the Pacific Coast across the Rockies to the tip of Florida and back to Pennsylvania This memoir chronicles Freedline s more than 9 000 mile four and a half month road trip that began and ended in Indiana Pennsylvania in the summer of 1977 It was a journey that took him across a continent replete with natural wonders quaint towns and unforgettable people Freedline not only discovered that he had the inner resources to overcome the past and complete any endeavor he started but he found that the cold cruel world that others professed to see did not actually exist Much more than a travelogue Summer of 1977 demonstrates how one man s dream served as the impetus for finding the courage to attend college earn a degree and motivate others to improve their lives
