**Pacemakers** Ron Roberson,2002-06-05 Hot Rodding began in Southern California in the 1930s and had spread throughout the United States by the mid 1950s spawning the sport of drag racing and the advent of the Detroit muscle cars of the 60s

and 70s Hot Rod Magazine and the National Hot Rod Association promoted the formation of responsible car clubs to combat the delinquent reputation of hot rodders earned through illegal street races and Hollywood's portrayal in B movies. And thus were born the Middletown Pacemakers in 1951. The Pacemakers brought southern Ohio its first reliability runs 1952 custom auto shows 1954 and drag racing competitions setting national records 1958 63 64 and winning national championships 1963 64 65. When the hot rodders were not busy upgrading their drive train for more horsepower or chopping and channeling for improved performance they could often be seen on the streets of Middletown feeding expired parking meters or rescuing motorists whose cars had broken down or run out of gas. By 1966 as was the fate of so many hot rod clubs the mass production of Detroit muscle cars ushered the Pacemakers to fold. *Mustang 1964 1/2-1973 Restoration Guide*, 1998
