Open to Persuasion Mike Upton, 2012-01-31 A story of two ambitious executives each fighting to secure the one big job that has unexpectedly become available following their Managing Directors sudden announcement that he is relinquishing his role to spend more time with his wife who is suffering from a life threatening illness Both executives are utterly determined to successfully gain the promotion Caroline the attractive Marketing Director deploys all her feminine wiles and charms to persuade the interview panel that they should give the job to her But her rival the Sales Director Rob embarks on a programme of illegal incentives and other methods to secure new business to try and put himself in pole position for the job Open To Persuasion is an intriguing story about business but also a compelling study in how people might disregard their normal scruples and beliefs in right and wrong

Just Climate Futures Carolyn Snell, Lucie Middlemiss, Kelli Kennedy, Emily Morrison, Anne Owen, Samantha Theminimulle, Tania Carregha, Yekaterina Chzhen, 2025-08-14 If we are to meet Net Zero targets both climate policies and our daily lives require significant change The transition towards Net Zero will lead to inevitable trade offs between social economic and environmental objectives and this transition could disproportionately impact households already struggling with poverty and precarity This book takes a deep dive into the ways families and communities are or could be impacted by the implementation of climate policy It demonstrates that participation in Net Zero requires people to be economically culturally socially and politically engaged and provides a practical roadmap to encourage and support a truly just transition

New Scientist and Science Journal, 2002 **Innovating at the Edge** Tim Jones, 2012-05-04 All organizations who are looking to improve performance through embracing new ideas work in new ways create new products and services challenge the status quo or redefine their existing business environment have much to gain from this book Innovating at the Edge not only provides readers with an informed understanding of the latest developments in innovation practice but also presents them with the bigger picture This enables them to determine how to build these advances into overall development of their own innovation capabilities and how to capitalize on the benefits available to them Today as the new economy is brought into line with the old increasing fragmentation of a global economy drives change across multiple sectors Organizations operating at the leading edge of the innovation paradigm are adopting a whole new set of approaches to help them redefine the present and build the future Learn how companies such as Egg Dyson and Smint are redefining their markets how organizations such as ARM and Qualcomm are deriving their soaring revenues wholly from licensing and how firms such as Nokia and Nike are constantly evolving their product portfolios and associated value propositions These real life examples provide key lessons for all involved in creating and delivering new businesses products and services Readers will understand where all these strands fit within an overall context of innovation evolution

and recognise that the inter relationships between strategy process and organization are the key enablers for achieving innovation improvements Firms can then grasp and appreciate what they need to do in order to emulate these innovation leaders operating at the edge of contemporary practice [Automotive News](#) ,2007 **Car Wars: Fifty Years of Backstabbing, Infighting, And Industrial Espionage in the Global Market** Mantle Jonathan,2012-01-05 An astonishing eye opening chronicle Publisher s Weekly of backstabbing infighting and industrial theft and espionage in the world s biggest business It makes empires it destroys economies it shapes history Welcome to the world s biggest business the automobile industry A hundred years ago there were six highly experimental cars Today there are close to 400 million cars on the planet set bumper to bumper on a six lane highway they would stretch well over 200 000 miles more than eight times around the earth With hundreds of billions of dollars at stake is it any wonder that the major car companies wage a relentless war against one another where almost anything goes Here is the story of all the schemes and deceits treacheries and shady deals in the battle for the world s car markets since the dawn of the global economy fifty years ago The first true biography of the automobile Car Wars gives us the automotive history as seen through the windshield of the car with stories so spectacular they are often hard to believe From Gianni Agnelli s deal to make Fiats in the USSR at the height of the cold war and Jose Ignacio Lopez s defection from GM to VW through Pehr Gyllenhammar s foiled attempt to merge Volvo and Renault and on to Nicolas Hayek s deal with Mercedes Benz to build the Swatchcar in 1997 Car Wars is a roller coaster ride down the freeways and the back roads of the world s premier business and an eye opening history of the world s best known and most loved cars
