

The book cover features a collage of images related to materials science and engineering. At the top left, a stylized white sphere is partially visible. Below it, a molecular structure with blue spheres and connecting lines is shown. To the right of the molecular structure is a close-up of a hexagonal lattice structure, possibly a crystal or a honeycomb-like material. Further right is a close-up of a corrugated metal surface. At the bottom left, there are dark, angular, geometric shapes. At the bottom right, there are curved, concentric lines, possibly representing a cross-section of a pipe or a lens.
