Four Corner Hustlers:

Four Corner Hustlers Marcus Henry, 2014-11-30 Four Corner Hustlers is a collection of fables that are woven into one exciting tale about four individuals who are at the top of their game Big E The D Boy is a kingpin who runs an elaborate drug operation that crosses state lines 380 D The Pimp was born and bred to be a ladies man who has a string of successful cabaret clubs around the city GL The Gambler never saw a bet he didn't like and his illegal gambling operations brought in millions Black The Jacker is their worst nightmare When he shows up they all know the rules Break bread or end up dead See what happens when all of their lives collide on one special night *Gangs and Organized Crime* George W. Knox, Gregg Etter, Carter F. Smith, 2018-07-04 In *Gangs and Organized Crime* George W Knox Gregg W Etter and Carter F Smith offer an informed and carefully investigated examination of gangs and organized crime groups covering street gangs prison gangs outlaw motorcycle gangs and organized crime groups from every continent The authors have spent decades investigating gangs as well as researching their history and activities and this dual professional academic perspective informs their analysis of gangs and crime groups They take a multidisciplinary approach that combines criminal justice public policy and administration law organizational behavior sociology psychology and urban planning perspectives to provide insight into the actions and interactions of a variety of groups and their members This textbook is ideal for criminal justice and sociology courses on gangs as well as related course topics like gang behavior gang crime and the inner city organized crime families and transnational criminal groups *Gangs and Organized Crime* is also an excellent addition to the professional's reference library or primer for the general reader More information is available at the supporting website www.gangsandorganizedcrime.com **Views from the Streets** Roberto Aspholm, 2020-02-04 Chicago has long served as a symbol of urban pathology in the public imagination The city's staggering levels of violence and entrenched gang culture occupy a central place in the national discourse yet remain poorly understood and are often stereotyped *Views from the Streets* explains the dramatic transformation of black street gangs on Chicago's South Side during the early twenty-first century shedding new light on why gang violence persists and what might be done to address it Drawing on years of community work and in-depth interviews with gang members Roberto R Aspholm describes in vivid detail the internal rebellions that shattered the city's infamous corporate style African American street gangs He explores how in the wake of these uprisings young gang members have radically refashioned gang culture and organization on Chicago's South Side rejecting traditional hierarchies and ideologies and instead embracing a fierce ethos of personal autonomy that has made contemporary gang violence increasingly spontaneous and unregulated In calling attention to the historical context of these issues and to the elements of resistance embedded in Chicago's contemporary gang culture Aspholm challenges conventional views of gang members as inherently pathological He critically analyzes highly touted universal violence prevention strategies depicting street level realities to illuminate why they have ultimately failed to reduce levels of bloodshed An

unprecedented analysis of the nature and meaning of gang violence Views from the Streets proposes an alternative framework for addressing the seemingly intractable issues of inequality despair and violence in Chicago Gangland Leo Sullivan,Porscha Sterling,2018-08-27 At 17 years old Star can t wait to graduate so that she can make it out the Southside With dreams of making it big she is already on the right track to a new life after building a following by doing make up tutorials and posting sexy photos of herself on her Instagram page Though a good girl she s infatuated with the violent and merciless street king Polo the head of the city s most notorious gang She wants nothing more than to help him drop his current girl so that she can be the woman in his life But Star gets more than she bargained for when a series of events lead her to not only be Polo s main chick but forces her to be the leader of the female counterpart to his gang Tragedy strikes when Star s own dope fiend of a mother robs Polo s trap house and the act sends Mink Polo s baby brother and Kato Polo s right hand man blasting right through Star s front door When the night ends with Kato shot and Mink murdered at Star s hands Polo demands to know who is responsible for killing his brother but she quickly covers her own tracks to save herself from his wrath Unfortunately Star doesn t know there is a witness to her crime Kato who she thought she d killed is actually alive and in a coma fighting for his life When he suddenly awakes Star is afraid that her fate will be sealed as soon as he tells how Mink really died However Kato is not the same man that he was before and things between the two quickly begin to change When sparks fly and Star feels she s found true love in the one man she thought she hated more than anyone on Earth will the real truth of her lies come to light and ruin it all This is the first part of a series written not for the faint at heart Brace yourselves for a story of love loyalty and survival on Chicago s Southside **Studying Youth Gangs** James F. Short,Lorine A. Hughes,2006-04-27 Provides an introduction to the study of gangs how we define them what we know and not know about gangs This title offers both a domestic and international view of processes of delinquency and gang formation and identity It is suitable for criminal justice sociology and social work parole practitioners and public defenders

Changing Faces Sean J. Marshall,2012-06 I came into this world Sean John Marshall I am twenty seven years old and was born and raised in Colorado Springs Colorado I am a fine artist author a proud father of one beautiful baby girl and an all around entrepreneur But all of my pursuits came to an abrupt halt when I was consumed by a life of crime For so long I became a part of a problem Growing up in and around the streets Ive caused much destruction in my lifetime Ive been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life s focus is to inspire teach uplift and mend I now use life s experiences to grow and learn I feel obligated to pass on all the insight and knowledge I ve obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I ve seen darker truths that people need not witness themselves I ve walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I ve made I will have done my part I will have at least

saved one soul from having to suffer the afflictions I've faced And for that reason alone I write And for that reason alone I'll forever share my truths Colophon **People of the State of Illinois V. Pikes**, 2012 **Bloodline** John Turnipseed, Cecil Murphey, 2014-10-01 Torn from an idyllic life with a loving extended family in 1960's Alabama young Johnny Turnipseed found himself in Minneapolis Minnesota with a father he no longer recognized and empty cupboards A C Turnipseed's alcoholism and womanizing started a chain reaction of poverty violence addiction and despair that nearly destroyed three generations From lost and frightened little boy to gang leader drug dealer and pimp to one of the nation's most respected pioneers of community restoration John Turnipseed's story of transformation and restoration is told with unflinching honesty and contagious hope **Fatal Violence** Ronald M. Holmes, Stephen T. Holmes, 2010-06-23 From serial murderers to parents who kill Fatal Violence Case Studies and Analysis of Emerging Forms provides an insider's look at a phenomenon that has existed since the dawn of man and cuts across social economic barriers and cultures Offering a rare glimpse into the minds of predators and containing chilling details of motives and methods th Chicago Hustle and Flow Geoff Harkness, 2014-09-01 On September 4 2012 Joseph Coleman an eighteen year old aspiring gangsta rapper was gunned down in the Englewood neighborhood of Chicago Police immediately began investigating the connections between Coleman's murder and an online war of words and music he was having with another Chicago rapper in a rival gang In Chicago Hustle and Flow Geoff Harkness points out how common this type of incident can be when rap groups form as extensions of gangs Gangs and rap music he argues can be a deadly combination Set in one of the largest underground music scenes in the nation this book takes readers into the heart of gangsta rap culture in Chicago From the electric buzz of nightclubs to the sights and sounds of bedroom recording studios Harkness presents gripping accounts of the lives beliefs and ambitions of the gang members and rappers with whom he spent six years A music genre obsessed with authenticity gangsta rap promised those from crime infested neighborhoods a ticket out of poverty But while firsthand experiences with gangs and crime gave rappers a leg up it also meant carrying weapons and traveling collectively for protection Street gangs serve as a fan base and provide protection to rappers who bring in income and help to recruit for the gang In examining this symbiotic relationship Chicago Hustle and Flow ultimately illustrates how class stratification creates and maintains inequalities even at the level of a local rap music scene **Studying Youth Gangs** James F. Short Jr., Lorine A. Hughes, 2006-05-04 In this absorbing new collection Short and Hughes and their distinguished coauthors investigate why and how we study youth gangs Over the last half century of research by criminologists sociologists and gang experts investigations of gang behavior have become increasingly specialized and isolated from studies of delinquency and deviance The authors challenge popular and inaccurate definitions of gangs vs non gang youth groups and show how the amazing diversity of gangs_ both domestic and international_ demands more rigorous study This book stimulates thinking about valid methods of defining and interpreting gang behavior in order to better understand delinquent and criminal behaviors and their control It is an ideal text for

criminal justice sociology and social work courses and a resource for law enforcement probation and parole practitioners and public defenders *Gangland 3* Leo Sullivan,2019-07-02 In the series finale of *Gangland* there is a deadly stand off between Kato and Polo forcing Star to make a decision With both men demanding her love and loyalty she has no other option but to figure out which one is worthy With her sister missing she is also racing against time to find her but when she does it may be too late This tragic story of Chicago gang life comes to a close and just like in real life many don t make it to the end Does Star have what it takes to survive or will love and gang lead her to the last days of her life Sincere Barry Ellis,2010-02 Sincere s early years match my own in so many ways I was raised on the south side of Chicago and took to the streets and the drug and gang culture as a pre teen Before my high school class made it to graduation I was already in prison As a child I lived as an adult and the Feds sentenced me accordingly Now at the age of 27 with 10 years in I m able to see the error of my old ways I now use my experiences and credibility to help others that are still blinded by the shine to see the true consequences of the grind so that maybe they can avoid missing out on as much life as I have In writing *Sincere* my goal was to introduce the reader to the real people real struggles and real consequences with only a small bit of fantasy entertainment in between If the blunt rawness of the story troubles you I have done well in accurately describing a life that so many of us risked death to live **The Gang Problem in America** United States. Congress. Senate. Committee on the Judiciary. Unforgiving Places Jens Ludwig,2025-04-21 What if everything we understood about gun violence was wrong In 2007 economist Jens Ludwig moved to the South Side of Chicago to research two big questions Why does gun violence happen and is there anything we can do about it Almost two decades later the answers aren t what he expected *Unforgiving Places* is Ludwig s revelatory portrait of gun violence in America s most famously maligned city Disproving the popular narrative that shootings are the calculated acts of malicious or desperate people Ludwig shows how most shootings actually grow out of a more fleeting source interpersonal conflict especially arguments By examining why some arguments turn tragic while others don t Ludwig shows gun violence to be more circumstantial and more solvable than our traditional approaches lead us to believe Drawing on decades of research and Ludwig s immersive fieldwork in Chicago including countless hours spent in schools parks playgrounds housing developments courtrooms jails police stations police cars and lots and lots of McDonald ses *Unforgiving Places* is a breakthrough work at the cutting edge of behavioral economics As Ludwig shows progress on gun violence doesn t require America to solve every other social problem first it only requires that we find ways to intervene in the places and the ten minute windows where human behaviors predictably go haywire There Are No Children Here Alex Kotlowitz,2011-11-30 NATIONAL BESTSELLER A moving and powerful account by an acclaimed journalist that informs the heart This meticulous portrait of two boys in a Chicago housing project shows how much heroism is required to survive let alone escape The New York Times Alex Kotlowitz joins the ranks of the important few writers on the subject of urban poverty Chicago Tribune The story of two remarkable boys struggling to survive in Chicago s Henry Horner Homes a public housing complex disfigured by crime and neglect *Studies in Gangs and Cartels* RobertJ. Bunker,2017-07-05 Concerns over the changing nature of gangs and cartels and their relationships to states in the late 20th and early 21st centuries has resulted in the emergence of a scholarly body of work focused on their national security threat potentials This body of work utilizing the third generation gangs and third phase cartel typologies represents an alternative to traditional gang and organized crime research and one that is increasingly influencing the US defense community Rather than being viewed only as misguided youth and opportunistic criminals or in their mature forms as criminal organizations with no broader social or political agendas more evolved gangs and cartels are instead seen as developing political mercenary and state challenging capacities This evolutionary process has emerged due to the growing illicit economy and other unintended consequences of

globalization This important anthology of writings by Robert J Bunker and John P Sullivan draws upon a collection of their works from the mid 1990s to the present with the addition of new essays written specifically for this publication The work will be of great interest to academics and students in the fields of political science and criminal justice and to military law enforcement and governmental professionals and policy makers This book is a collection of new and previously published works from a variety of publications a full list of which is on the Citation Information page
