*The Traitor's Homecoming* Matthew E. Reardon, 2024-08-15 Almost everyone is familiar with the name of at least one Revolutionary War battle Some like Lexington and Concord Bunker Hill Saratoga and

Yorktown are household names Others are less well known but readily recognized when mentioned An engagement in Connecticut during the war s seventh year commanded by one of history s most infamous military names is not among them Matthew E Reardon has set out to rectify that oversight with *The Traitor s Homecoming* Benedict Arnold s Raid on New London Connecticut September 4 13 1781 By 1781 the war in North America had reached a stalemate That changed during the summer when the combined Franco American armies of Generals George Washington and Jean Baptiste comte de Rochambeau deceived British General Sir Henry Clinton into believing they were about to lay siege to New York City In fact they were moving south toward Yorktown Virginia in a bid to trap Lord Cornwallis s British army against the sea Clinton fell for the deception and dispatched former American general Benedict Arnold to attack New London Clinton hoped to destroy the privateers operating out of its harbor and derail militia reinforcements and supplies heading from Connecticut to the allied armies outside New York City Situated in southeastern Connecticut New London was the center of the state s wartime naval activities State and Continental naval vessels operated out of its harbor which doubled as a haven for American privateers Arnold landed on September 6 and in a textbook operation defeated local militia took possession of the town harbor and forts and set New London s waterfront ablaze But that is not how it is remembered The Connecticut governor s vicious propaganda campaign against the British and Arnold who was already infamous for his treachery created a narrative of partial truths and embellishments that persist to this day As such most of the attention remains on the bloody fighting and supposed massacre at Fort Griswold There is much more to the story *The Traitor s Homecoming* uses dozens of newly discovered British and American primary sources to weave a balanced military study of an often forgotten and misunderstood campaign Indeed Reardon achieves a major reinterpretation of the battle while dismantling its myths Thirteen original maps and numerous illustrations and modern photographs flesh out this provocative and groundbreaking study *Traitor's Purse* Margery Allingham,2023-04-28 If I had to vote for the single best detective story this would be it A S Byatt Celebrated amateur detective Albert Campion awakes in hospital accused of attacking a police officer and suffering from acute amnesia All he can remember is that he was on a mission of vital importance to His Majesty s government before his accident On the run from the police and unable to recognize even his faithful servant or his beloved fianc e Campion struggles desperately to put the pieces together while World War II rages and the very fate of England is at stake Published in 1941 *Traitor s Purse* is a wartime masterpiece The Guardian Uncommonly exciting stuff replete with Allingham s skill in story building and the plausible characters that make her as much a fine novelist as a mystery writer The New Republic Margery Allingham stands out like a shining light And she has another quality not usually associated with crime stories elegance Agatha Christie *The Complete Concordance to Shakespeare* ,1876 *A Traitor's Heart* Jaysyn NyCole,2019-04-30 does he know who I am He knows nothing of you my lord He believes my cousin Master Chuonn is the head of the snake about to strike The assassin laughed without mirth But in truth we are just its eyes And its fangs the cloaked figure added Yes and its fangs he

agreed before bowing Without another word the shadowed assassin disappeared back into the blackness from whence he came The cloaked figure remained for another ten minutes then he too turned and vanished from the Emerileen Forest A Traitor's Heart Although peace has remained within the Kingdom of Baevar during the Dragos reign there are some that want a change As the Shadows an elite guild of deadly assassins rise from the darkness the opportunity for chaos and strife begins Led by a mysterious cloaked figure trouble spreads throughout the kingdom Doubts and distrust surface Friendships are strained Loyalties are tested In the end the most dangerous of enemies are those closest to the heart *An Index to the Remarkable Passages and Words Made Use of by Shakspeare* Samuel Ayscough,1790 *Traitor's Gate* Mary Fitzgerald,2013-02-15 An exciting romp through the English Civil War Traitor's Gate takes the hero Harry Tyrell on a hunt for both gold and spies in the besieged city of Chester There he finds deadly intrigue desperate adventure and a seductive woman **An Index to the Remarkable Passages and Words Made Use of by Shakespeare** Samuel Ayscough,1790
