God and Football Chad Gibbs, 2010-11-29 In 2008 over six million people attended an SEC football game They spent thousands on season tickets donated millions to athletic departments and for three months a year ordered their entire lives around the schedule of their favorite team As a Christian Gibbs knows he cannot serve two masters but at times his faith is overwhelmed by his f

God and Football Chad Gibbs, 2010-08-24 At the age of 8 Chad Gibbs attended his first Southeastern Conference football game Since then he has been in a constant battle to not let his love of all things pigskin consume him As a Christian Gibbs knows he cannot serve two masters but at times his faith is overwhelmed by his fanaticism He is not alone In 2008 over six million people attended an SEC football game They spend thousands on season tickets donate millions to athletic departments and for three months a year order their entire lives around the schedule of their favorite team Gibbs and his six million friends do not live in a spiritually void land where such borderline idol worship would normally be accepted They live in the American South where according to the 2008 American Religious Identification Survey 84 percent identify themselves as Christians This apparent contradiction that Gibbs sees in his own life and in millions of others has led him to journey to each of the twelve schools to spend time with rabid Christian fans of various ages and denominations Through his journey he hopes to learn how others are able to balance their passion for their team with their devotion to God And if Gibbs learns others are just as messed up as he is at least he will know he is not alone

Of Gods and Games William J. Baker, 2016-11-01 That Americans take to sports with a spiritual fervor is no secret. Athletics has even been called a civil religion for how it permeates our daily lives as we chase our own dreams of glory or watch others compete. Few would deny our national devotion to sports; however, many would gloss over it as all of a piece. To do that, as William J. Baker shows us, is to miss the fascinating variety of experiences at the intersection of sports and religion and the ramifications of such on a national citizenry defined as Baker writes by the team they cheer on Saturday and the church they attend on Sunday. With nods to modern and ancient history, Baker looks at the ever-changing relationship between faith and sports through vignettes about devout athletes, coaches, and journalists. *Of Gods and Games* offers an accessible entrance into some of the larger issues embedded in American culture's sports-religion connection. Baker first considers two Christian athletes who have engaged sports and religion on fundamentally different terms: Shelly Pennefather, one of the dominant women's basketball players of the late 1980s who left the sport for life as a cloistered nun, and Heisman Trophy winner Tim Tebow, who has used his college and pro football careers as a platform for evangelizing. In discussing basketball coach Dean Smith, University of North Carolina, and football coaches Steve Spurrier, University of South Carolina, and Bill McCartney, University of Colorado, Baker looks at how each strove to honor faith amid sometimes complicated personal lives and ever-crushing professional demands. Finally, Baker looks at how faith inspired such sportswriters as Grantland Rice, who sprinkled his stories with religious allusions, and Watson Spoolstra, who struck a deal with God: at his daughter's deathbed, she recovered and subsequently devoted his off hours and retirement years to charity work.
