God S Money:

Managing God's Money Randy Alcorn, 2011-07-08 God cares a great deal more about our money than most of us imagine The sheer enormity of Scripture s teaching on this subject screams for our attention In fact Jesus says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell In **Managing God s Money** Randy Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format Filled with Scripture references **Managing God s Money** is the perfect reference tool for anyone who is interested in gaining a solid biblical understanding of money possessions and eternity

God's Money Tad Hutton, 2009-08 Four fishermen find twenty million dollars on an island Now they have to keep the cash from the drug cartel and pirates who claim it The setting for this thrill and laugh a minute tale is the notorious Palawan Passage in the South China Sea Deacon and his friends face off the criminals and then deal with a greedy churchman and competing nations who claim ownership of the island A renegade American a beautiful schoolteacher and a Japanese hermit drive this tale to its exciting conclusion Novel based on actual events

God's Money An Ordinary Guy Production, 2025-04-15 God s Money What Tithing Does for You was written because the author had believed a lot of lies in regard to handling money in a godly way The best thing Ordinary Guy ever did was to decide he was going to stop believing what people told him to think about what is written in the Bible and just believe what is written The work of the Holy Spirit in the life of the author as he read the Bible has shown him a lot of truths that he didn t know existed including about money The personal testimony included may be similar to the story of many people or it may be very different but what the Bible says will be the same and the impact of believing what is written has led to financial freedom for the author One of the benefits of the Bible is that the principles within it are timeless but the tricks the devil uses to prevent people from applying what is written are effective when we are ignorant of what the Bible contains Faith grows over time including faith in the blessings of tithing and like many faith journeys what you learn along the way is just as valueable as the end result

Managing God's Money Randy Alcorn, 2011 Jesus says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format

It's God's Money David Jones, PhD, CSA,2008-09-29 This is not an entire book about tithing God has more to say about finances than any other subject in the Scriptures Most Christians only hear the sermon on tithing There is some insight included on this subject but I want to show you much more I believe that God fully intends to bless us financially far more than we could ever imagine However we must be ready and prepared before He can bestow these blessings on us This is why I believe He has so much to say about finances My intention is to get you to explore God s Word and His will for YOUR life Through prayer counsel and discernment you will discover what God has in store for you financially With that being said I also want to state in advance that this book is not an advertisement I have no intention of selling anything to anyone and I have tried to make sure that no company or specific product is promoted My intentions are purely to move you to explore what God is saying to you about finances Finally as you will hear many times in the coming pages there is one thing that you must come to understand and believe if you are to receive the full blessings God has in store for you IT S GOD S MONEY
