Devotions for Hurting Hearts Robert James Walker, 2019-06-27 Mr Walker studied and meditated on the upper room discourse of Jesus given to his disciples on the eve of his crucifixion This discourse is recorded in the Gospel of John 13 16 John shares the most precious promises of Jesus that tenderly comfort and provide hope and instructions on what to do after his departure Mr Walker found the promises of Jesus to be most comforting and encouraging during his time of deep grief He wrote down his devotions and have shared them with other grieverers who have been blessed through reading them He believes that the words of our Lord Jesus and his meditations on them will be a source of great comfort for anyone who have lost a loved one or is going through suffering of any kind

A Good Forest

for Dying Patrick Beach, 2004-04-06 Early on a September morning in 1998 David Gypsy Chain and eight fellow Earth First activists went into the redwood forests of Scotia California Their loosely organized plan to protest the destruction caused by the logging industry almost immediately turned farcically tragic A E Ammons a logger for Pacific Lumber confronted the group threatening them in an obscenity ridden diatribe if they didn't leave I'll make sure I got a tree coming this way The group retreated moving deeper into the wilderness A short time later just as they were attempting to confront the logger yet again Gypsy was dead crushed to death by a tree Ammons felled A GOOD FOREST FOR DYING traces the long history of bitter clashes between environmental concerns and economic interests in the American West and shows why these tensions came to a head in northern California in the 1990s It tells the story of how Pacific Lumber once an environmentally friendly family owned business became part of a conglomerate whose business practices made it a ripe target for environmental activists But A GOOD FOREST FOR DYING is also the story of Gypsy Chain a troubled young man raised in a loving family A social misfit in his small Texas hometown he died in a faraway forest before he had a chance to come to terms with himself and his family His mother never lost faith in her sometimes wayward idealistic son After his death and helped by a team of shrewd leftist lawyers she mounted a fight for justice in the name of her son and the cause of saving the redwoods A balanced highly readable examination of complex emotionally charged issues A GOOD FOREST FOR DYING will appeal to a wide audience Its insights into the inner workings of the radical environmental movement and its dissection of corporate greed and misdeeds are reminiscent of such provocative exposés as A Civil Action and Erin Brockovich The story of Gypsy's strange odyssey and the disturbing circumstances of his death seen primarily through the eyes of his mother is as powerful and as moving as Jon Krakauer's classic Into the Wild
