

Human Trafficking in the United States

Abstract

Human trafficking has evolved over ages but this vice remains to be fully combated. Historical records inform that slavery was pivotal in establishing various nations where people were trafficked from various countries and sailed to host nations for various exploitative reasons. In the US, slavery was fundamental in shaping the nation as it was a major contributor to the economy. The victims of slavery experience various forms of discrimination and oppression in the hands of the captors or owners.

In the modern world, slavery is common in the form of human trafficking where the purposes are mainly for labor and sexual exploitation. Globally, humans are trafficked from various countries to work in farms as well as serve as prostitutes in the host nations. In the US, human trafficking is prevalent and it exists in various forms. The offenders and the victims possess various characteristics that suit them to be part of the human trafficking business. However, the US has made various efforts and continues to put measures that seek to stop human trafficking

Introduction

Slavery in the US has been regarded as critical in the formation of this country. It has played a major role in advancing the economy but the victims suffered in return. Modern slavery is apparent in human trafficking where victims are exploited for labor and sexual purposes. In the US, human trafficking embodies the purposes for exploiting illegal migrants in farms as well as in commercial sex industries. Globally, human trafficking involves the transportation of humans from their home country to overseas nations either in pursuit of perceived better living or as a result of forced transportation. This study seeks to investigate what modern-day slavery as well as provide ways in which it has been combated.

Historical and Modern-Day Slavery

Slavery is well-known that has shaped many nations around the globe. In particular, the US has been well documented in reference to slavery from the early years of America as a nation up to the abolition of slavery in 1865. In the US, the South played a critical role in promoting slavery since the farming of cotton depended on slaves. In particular, the farm owners in this region needed slaves for growing cotton to keep up with the region as the global needs of this crop (Wharton, 2010).

The North was also complicit in slavery since it depended on the cotton grown in the South to manufacture textile to export to other nations (Wharton, 2010). However, slave labor in the US has had a significant change to develop into the slavery that came to be known worldwide.

Forced labor first existed as contracted servitude where the employers would contract this labor for a period of years and the labors were regarded as property to the extent of being passed down to the next generations in form of will (Wharton, 2010). This type of forced labor was transformed into slave labor from which
