product text may not be available in the ebook version Human Resources Management and Ethics Ronald R. Sims, Sheri K. Bias, 2021-01-01 Human Resources Management and Ethics Responsibilities Actions Issues and Experiences explores and provides an in depth look at the responsibilities actions issues and experiences related to HRM and ethics for individual employees organizations and the broader society Like other departments in the broader organization HRM professionals will need to increasingly demonstrate how they contribute to an organization s ethical orientation and overall performance or success While the ethical challenges trends and issues impacting employees organizations and HRM professionals will continue to change over the years consider the recent ethical challenges related cybersecurity and data breaches the bottom line of organization success is the clear reality that doing the right thing or institutionalizing an ethical culture or character is just as important to various stakeholders The chapters in this book provide an updated current and future look at the relationship between HRM and ethics and across various sectors or organizations i e public private not for profit academic etc That is this book discusses the ever evolving role of HRM professionals to include discussion of how the profession continues to take on more responsibility for developing and institutionalizing an ethical culture in their organizations industries and the broader society The book also contributes to the need for ongoing dialogue discussion or insights offered by HRM experts on what HRM professionals and their organizations can do in the face of ethical expectations challenges and scandals In the end the book is intended to increase our understanding of the ethical responsibilities actions issues and experiences that arise both within HRM and in HRM s interactions with individuals and organizations **Strategic Human**

Resource Management in the Hospitality Industry: A Digitalized Economic Paradigm Kankaew, Kannapat, 2023-03-13 Human resources are critical within organizations particularly in the modern world where technology can be acquired to produce the same quality of products Today in the context of the digitalized economy hospitality organizations must ensure their human resources are evolving with the times to remain competitive Strategic Human Resource Management in the Hospitality Industry A Digitalized Economic Paradigm discusses strategic human resource management in the hospitality industry and sheds light on every aspect of human resource management in the hospitality industry globally such as from selection recruitment training and development performance management compensation and benefit and employee retention Covering key topics such as technology integration leadership and tourism this reference work is ideal for industry professionals managers business owners administrators policymakers researchers academicians scholars instructors and students **Meeting the Challenge of Human Resource Management** Vernon D.

Miller, Michael E. Gordon, 2014-07-11 While communicating is a vital skill for managers at all organizational levels and in all functional areas human resource managers are expected to be especially adept communicators given the important interpersonal component of their roles Practitioners and scholars alike stand to benefit from incorporating an updated and more nuanced view of communication theory and practice into standard human resource management practices This book

compiles readings by thought leaders in human resource management and communication exploring the intersection of interests theories and perspectives from the two fields to highlight new opportunities for research and practice In addition to covering the foundations of strategic human resource management the book offers a critical review of the research literature on topics including recruitment selection performance management compensation and development uses a communication perspective to analyze the impact of corporate strategy on human resource systems investigates the key human resource management topic of the relationship between a company s human capital and its effectiveness directly discusses the implications of communication literature for human resource management practice Written at the cross section of two established and critically linked fields this book is a must have for graduate human resource management and organizational communication students as well as for high level human resource management practitioners

Legal and Regulatory Issues in Human Resources Management Ronald R. Sims, William I. Sauser, 2014-10-01 This edited book is intended to address the need for an updated look at the HRM legal and regulatory environment Contrary to existing books which address legal issues in HRM from a narrower focus or specific issue like sexual harassment performance appraisal or employment termination this book provides a comprehensive and in depth look at legal issues regulations and laws which govern all aspects of human resource management recruitment selection placement performance management i e employee training and development benefits and compensation and specific issues such as job analysis sexual harassment and the like The contributors to this book offer their insight derived from their own research and practical experience with the HRM legal and regulatory environment world of work More specifically the contributors examine analyze and discuss challenges issues and opportunities related to HRM legal and regulatory issues and the implications for employees and their organizations while emphasizing the importance of navigating such laws and regulations to the employment cycle and toward sustainable competitive advantage in today s and tomorrow s organizations

Modern Ship Engineering, Design and Operations Carlos Reusser,Joel Perez Osses,2021-12-22 Some marine propulsion systems are based on thermal machines that operate under the diesel cycle Their main advantages compared to other propulsion systems based on thermal machines are low specific fuel consumption and greater thermal efficiency However their main disadvantages lie in the emissions produced by combustion such as carbon dioxide CO₂ sulfur oxide SO_x and nitrogen oxide NO_x Over the last decade the International Maritime Organization IMO has adopted a series of regulations to reduce these emissions based on the introduction of several energy efficiency designs and operational indicators In this context this book focuses on the design and operation efficiency of ships through an analysis of the main propulsion systems It discusses the use of alternative fuels as well as the integration of hybrid and fully electric propulsion systems

Employment Relations Amie Shaw,Ruth McPhail,Susan Ressler ,2018-01-01 Overview This is the second edition of the well regarded local text Employment Relations This new edition takes an even more practical approach to a complex area considering both the industrial regulation and human resources dimensions of the employment relationship As well as providing a comprehensive guide to employment relations in Australia the text also offers a selective international comparative view on the management of the employment relationship The text explains and emphasises the real world connections between the important theories of industrial relations and human resources which are key components of the employment relations discipline The overarching aim is for students to gain a deeper understanding of the World of Work through the discipline of Employment Relations

How to Apply HR Financial Strategies (Collection) Bashker D. Biswas,Wayne Cascio,John Boudreau,2013-08-08 In Compensation and Benefit Design Bashker D Biswas shows exactly how to bring financial rigor to the crucial people decisions associated with compensation and benefit program development This comprehensive book begins by introducing a valuable Human Resource Life Cycle Model for considering compensation and benefit programs Next Biswas thoroughly addresses the acquisition component of compensation as well as issues related to general compensation equity compensation and pension accounting He assesses

the full financial impact of executive compensation programs and employee benefit plans and discusses the unique issues associated with international HR systems and programs This book contains a full chapter on HR key indicator reporting and concludes with detailed coverage of trends in human resource accounting and the deepening linkages between financial and HR planning Replete with both full and mini case examples throughout the book also contains chapter ending exercises and problems for use by students in HR and finance programs More than ever before HR practitioners must empirically demonstrate a clear link between their practices and firm performance In Investing in People Wayne F Cascio and John W Boudreau show exactly how to choose implement and use metrics to improve decision making optimize organizational effectiveness and maximize the value of HR investments They provide powerful techniques for looking inside the HR black box implementing human capital metrics that track the effectiveness of talent policies and practices demonstrating the logical connections to financial and line of business and using HR metrics to drive more effective decision making Using their powerful LAMP methodology Logic Analytics Measures and Process the authors demonstrate how to measure and analyze the value of every area of HR that impacts strategic value

How to Use Finance and Accounting in HR (Collection)

Bashker D. Biswas, Steven Director, 2013-08-08 In Compensation and Benefit Design Bashker D Biswas shows exactly how to bring financial rigor to the crucial people decisions associated with compensation and benefit program development This comprehensive book begins by introducing a valuable Human Resource Life Cycle Model for considering compensation and benefit programs Next Biswas thoroughly addresses the acquisition component of compensation as well as issues related to general compensation equity compensation and pension accounting He assesses the full financial impact of executive compensation programs and employee benefit plans and discusses the unique issues associated with international HR systems and programs This book contains a full chapter on HR key indicator reporting and concludes with detailed coverage of trends in human resource accounting and the deepening linkages between financial and HR planning Replete with both full and mini case examples throughout the book also contains chapter ending exercises and problems for use by students in HR and finance programs HR managers are under intense pressure to become strategic business partners Many unfortunately lack the technical skills in financial analysis to succeed in this role Now respected HR management educator Dr Steven Director addresses this skill gap head on Writing from HR's viewpoint Director covers everything mid level and senior level HR professionals need to know to formulate model and evaluate their HR initiatives from a financial and business perspective Drawing on his unsurpassed expertise working with HR executives he walks through each crucial financial issue associated with strategic talent management including the quantifiable links between workforces and business value the cost benefit analysis of HR and strategic financial initiatives and specific issues related to total rewards programs Unlike finance books for non financial managers Financial Analysis for HR Managers focuses entirely on core HR issues
