Falling Diapered Into Her Arms: My Story of Regression, Humiliation, and Messy Diaper Punishment (An ABDL Novella) Nanny Chloe, It started as the female led relationship of my dreams I was in my twenties She was nearly twice my age I assumed though I never had the gall to ask All I knew was that she was stunning powerful and maternal in all the right ways She was the one who proposed the idea of a domme little relationship between us I was over the moon at any chance to spend more time with her even if I had no idea what a domme little relationship was Soon I had moved in and was officially living with the woman of my dreams It seemed my life couldn't have been going any better That is until the accidents started I had no idea why I began having them First it was just wetting the bed But then I began having daytime accidents as well each more humiliating than the last And that's when the punishments began Her methods of correction for my babyish incidents were all more humiliating and painful than I ever could have imagined I soon began to rue the day I'd given her total control over me But by then it was far too late Before I knew it I was being subjected to the unthinkable forced to wear bulky crinkly adult sized pampers every day as punishment Finally on one fateful afternoon on a routine trip with her to the supermarket everything culminated in one of the most unspeakably embarrassing moments of my life one that would forever change my relationship to her me and adult diapers themselves All of it forcing me to ask if it started as the relationship of my dreams how did I end up trapped in my personal diaper nightmare This full length erotic ABDL novella will have you on the edge of your seat from start to finish It's packed full of diaper regression corporal punishment intense humiliation and of course some very well used diapers For mature readers only **The CAP Clinic: Baby Training For All** Terry Masters,2023-05-19 The Center For The Advancement of Psychology CAP is more than a company that deals with brain washing mind control or other activities It is a COMMUNITY It is a community where all the men wear diapers and are not
