purpose driven organizations This is an Open Access book sponsored by DPMC Spain UIC Barcelona and Corporate Excellence Centre for Reputation Leadership [The Impact of Networks on Unemployment](#) J. M. Hurst, 2016-10-12 This book investigates why networks some with joined up governance remits appeared ineffective in handling neighbourhood unemployment even in periods when the national unemployment levels dropped It deploys a multi theoretical and methodological framework to investigate this empirical puzzle and to test and analyse the causal factors influencing network outcomes Chapters examine network concepts network theories outcome indicators the historical infrastructure and management of unemployment policy and governing network trends in post war urban regeneration interventions Comparative network case studies offer empirical evidence and a high degree of local variation Mixed methods qualitative and quantitative approaches including social network analysis uncover formal and informal networks and eighty six interviews in two English local authorities with persistent unemployment give voice to network practitioner experiences Findings explain why sub optimal network outcomes prevail and operational difficulties persist on the ground Students and academics professionals and activists can use the results to challenge network governance theories and the policy status quo

[The Wealth of \(Some\) Nations](#) Zak Cope, 2019-03-20 In this provocative new study Zak Cope makes the case that capitalism is empirically inseparable from imperialism historically and today Using a rigorous political economic framework he lays bare the vast ongoing transfer of wealth from the poorest to the richest countries through the mechanisms of monopoly rent unequal exchange and colonial tribute The result is a polarised international class structure with a relatively rich Global North and an impoverished exploited Global South Cope makes the controversial claim that it is because of these conditions that workers in rich countries benefit from higher incomes and welfare systems with public health education pensions and social security As a result the internationalism of populations in the Global North is weakened and transnational solidarity is compromised The only way forward Cope argues is through a renewed anti imperialist politics rooted in a firm commitment to a radical labour internationalism **Hormones, Fertility & Chronic Illness** Sabia Roberta

Castañeda, Julie

Johnson Searcy is, 2022-02-14 In this book we make space to interrogate obstetric violence from its historical and legal roots and contemporary realities to responses of advocacy and resistance Through the lens of obstetric violence we are able to see overlap in structural vulnerability across continents as well as recognize the ways in which obstetric violence is symptomatic of larger global problems including systemic injustices related to reproductive health Combining the perspectives of care

providers birthing people advocates and researchers our volume seeks to include both a systematic and structural understanding of obstetric violence We bring together diverse voices from practitioners to activists to academics and provide a global perspective on obstetric violence with research from around the world including indigenous communities from North America Canada and Hawaii examples from Latin American and Caribbean countries as well as country specific cases from Argentina Australia Egypt Mexico Portugal and the United States The range of disciplinary perspectives and global experiences presented in this book demonstrates that obstetric violence is neither bound to one discipline nor site specific Together the chapters of this volume work to understand obstetric violence moving beyond static definitions towards a spectrum of lived experiences that highlight three main areas Legislation and Policy Experiencing Obstetric Violence and Advocacy Resistance and Reframing The time for a global recognition of obstetric violence of the larger structural forces embedded in systems that cross cultures and violate bodies in acutely vulnerable life moments is now By naming it and saying it out loud we recognize obstetric violence exists and can together begin the process of systemic change necessary to prevent it
